JUDICIAL ELECTION,
Tuesday, April 3.

For Associate Justice of the Supreme Court,

ORSAMUS COLE.

LIQUOR LAW PARTY.—It will be seen from our Madison correspondence that the Prohibitory Liquor Law passed the Assembly on Saturday by the strong vote of 42 years to 23 nays, very nearly two to one. The Senate is expected to concur, but opinions differ as to what the Governor will do.

☞ Senator TAYLOR'S capital speech in the Senate upon the whitewashing resolutions introduced by a mere tool of the Balance, and *indefinitely postponed* by a vote of *two to one*, provokes the following sensible outburst from the Madison *Democrat*, the "official State paper"

TAYLOR'S LAST.—The lovely twin-organs of the "clergyman" in which several columns of stupidity, malice, bull-savery, and falsehood which purports to be a speech of Senator Taylor's reported by himself for their columns. At the joint procession of locofocos and landlord, it is quite in character.

We shall not pause to feed room for this speech, that our readers may see how severe was the lashing which carries the yelp from the Administration organ. Apparently "Taylor's last" is no more to them than Taylor's first.

NEW HAMPSHIRE ELECTION.—The election in New Hampshire for State Officers, Members of Congress and Members of the Legislature, comes off on Tuesday week, March 13th. The contest, in that ancient stronghold of the Slave Democracy promises to be a close one. There are four candidates for Governor in the field, and in the event of no one of them receiving a majority of all the votes cast the election devolves upon the Legislature. So Congress it is a straight fight between the Administration men, on the one side and Opposition, on the other; the predominant issue being the question of Slavery. Every Opposition candidate for Congress is pledged against the Nebraska Infamy and the Fugitive Slave Law. The Legislature to be chosen is to elect two U. S. Senators. We hope that unlike their gallant cousins from the Granite State, they will be *North to a man* Friends of Freedom.

THE COURT OF CLAIMS.—The Philadelphia *Pennsylvanian*, a democratic paper, gives a mortifying account of the dead set made upon President Pierce for offices in the Court of Claims. Lewis, ex-Judge, Stanton and ex-Senators Members of Congress and ex-Governors to have all entered the lists and are clamorous for an appointment. The *Pennsylvanian* nevertheless expresses the belief that the selections will be made with sole reference to character and capacity, and will be free from the prejudice of partisan politics. Among the persons mentioned as likely to be appointed Judges are ex-Chancellor Wilkinson of New York, ex-Governor Starke of Mississippi Cave Johnson, of Tennessee and G. W. Dallas of Pennsylvania.

Voting down Agitation.

The Detroit Free Press, a zealous preacher of Slave Democracy, and the steady eulogist of Gen. Cass' pipe-opener and compliments the vote of the Senate a few days since, by which the motion of Mr CHASE of Ohio, to refer to a select committee of instructions for the repeal of the Fugitive Slave Act, the abolition of Slavery in the District of Columbia, and the prohibition of Slavery in all the Territories of the Republic, was laid upon the table. The vote stood, Yeas 29, Nays 13, the minority being Messrs. Bernard Chase, Cooper, Dodge of Wis., Fessenden, Foote, Gillette, Hamlin, James, Seward, Sumner, Walker and Wade.

The result is duly chronicled and gloried over by the *Free Press* under the head of "Agitation voted down" with this characteristic remark:

This is an emphatic vote, yet it must be remembered even ordinary that there are thirteen men in the United States Senate who would consider such petitions.

The *Free Press*, unless its career should be prematurely closed, will live to see a much larger number than "thirteen men in the United States Senate" ready not only to "consider," but to grant the prayer of, just such petitions.—"Agitation" on these questions may be "voted down" again and again, at Washington, but it will not *stay* "down" even there, and all thro' the *Free States it will spread farther and wider*, until no man can be sent to either House of Congress who is not favorable to precisely the objects asked for by these obnoxious petitions.

☞ TYPOGRAPHICAL.—The *Wisconsin* of Friday takes ground against the election of HENRY A. WISE, the democratic can didate for Governor of Virginia and gives "aid and comfort" to his Know-Nothing competitor. This seems to verify the charge made by a "Fourth Ward Democrat" in the *Keg* that the *Wisconsin* is a Know-Nothing organ, and "bolts" the regular nomination of Ald. JOHNSTON in the Fourth Ward, as it did that of Senator M. GRANT of the Third, because he is an Irishman and a Catholic.

THE BANNER MAGAZINES.—We are indebted to LEONARD SCOTT & Co., of New York, for copies of the Edinburgh Review for January and Blackwood for February. There is a great deal of interesting and entertaining reading in both.—Among the leading articles in the Edinburgh are those upon "Cardinal Mezzofanti," "Modern French Literature," "The Siege of Rhodes in 1440," "Charles the Fifth," "Mount Athos and its Monasteries," and the history of "Private Bill Legislation." Blackwood serves up some more chapters of the prophetic "Story of the Campaign" in the Crimea. Schamyl and the War in Caucasia," "Lucknow" continued, the "Revelations of a Showman" (Barnum,) and a criticism upon "Bulwer." The subscription price of Blackwood is $2 00 per year, and of the Edinburgh $3 00. Address L. Scott & Co. 79 Fulton St., New York.

From Madison.

EDITORIAL CORRESPONDENCE OF THE SENTINEL.

Madison, March 1, 1855.

In Senate, this morning;

Petitions:

By Mr Ishbridge, for a law authorizing a special tax in Ashford.

By Messrs Clement and Bowen, for a liquor law.

Bills introduced:

By Mr Eveleigh, *authorizing a special tax in Ashford.*

By Mr Adams, declaring a certain road a legal highway.

By Mr Clement, relative to the rights of married women.

By Mr Adams, for a state road from Arena to Bald Bluff.—*Passed.*

Close titles of the other bills passed are already given;

In assembly the day has been one of hard work.

Early in the morning were communications from the Commissioners of the School Lands in answer to a resolution calling upon them to explain the shocking blunders in their report. The apology is a very poor one, and owning to throwing the blame upon the under clerks employed to make out the tables. At all events, the blunders are acknowledged, the Commissioners censuring themselves and the State by the assurance that the figures in the *Secretary of State's* Report are correct.

Another communication was read, from Beriah Brown, in answer to the report of the Printing Committee on the Documentary History. He insisted that the paper used was a very costly article—that the binding of the volumes distributed is not a fair sample of the whole—that the paper in each volume cost 25c, and the binding 25c, &c., &c.

The communication was sent to the Committee on Printing.

Petitions were presented:

By Mr. Griffin, to allow Dodge Co. to raise a tax for roads and bridges.

By Mr Abbott, of W. B. Jarvis, for an enquiry as to the propriety of removing all the State benevolent institutions to the Capitol.

By Mr Dawes, for a memorial for mail route.

do Vilas, account of A T Gray.

do Martin, claim of Mrs Ream.

do Colley, do Mrs L Bird.

do Davis, 2 for state roads.

Bills introduced,

By Mr P. H. Smith, charter of Outagamie Fire and Marine Ins. Co.

By Mr P. H. Smith, amending Revised Statutes relative to actions and damages

By Mr Cross, for a state road from Milwaukee to Port Washington.

By Mr Martin, to change time of Spring Circuit in Brown Co.

By Mr Ramsey, authorizing Prudonia to build a bridge.

By Mr B Smith, appropriation to Lester and M Miner (a four year old claim for $13,00.)

By Mr McIndoe, concerning bills of exchange and promissory notes.

By Mr Hull, to amend a certain state road law.

By Mr Cross, *relative to certain tax titles in Milwaukee.*

By Mr Falvey authorizing Racine to sell plank road stock.

By Mr Delaney, repealing the act of '54 for publishing general laws.

By Mr Davis, appropriation to State Prison Committee.

By Mr Davis, amending act, amending charter of Fort Winnebago, Baraboo and Minnesota R R Co.

By Mr Thompson, authorizing Trustees of Sauk City to build a bridge.

By Mr Fisher, to exempt certain university *lands from taxation.*

Of this formidable list of bills, those named after the 2d were introduced in the afternoon session, after the Liquor bill was disposed of.

To return to the morning session.

Mr Martin introduced a joint resolution to adjourn on the 22d inst., *and to receive no new* business after the 10th. Lies over. Mr Colley moved to take up the special order—the Temperance Bill. *Carried.*

Mr. Goss' motion to postpone indefinitely was *lost*, 28 to 47. Mr Downer's substitute (the Ohio law, without any exemption) being in order Mr Fisher moved to dispense with the reading; lost 24 to 35. The substitute being read, Mr Downer briefly advocated its adoption as a better law than the one under consideration, and one which had been declared constitutional.

Mr Vilas moved the submission clause as an amendment *lost.*

Mr Sherman moved to amend by making the substitute go into effect 1st June '55, if adopted. *Lost.* The substitute was then voted *down*, 45 to 32.

Mr Hull moved the previous question—not seconded.

The question was *now taken separately on the* amendments made to the bill by the Committee of the Whole. Broken only by two motions to adjourn, which failed, this operation continued till nearly one o'clock, when, on the representations by Mr White that he was "both dry and hungry," the Assembly adjourned to 2½ P. M.—By this time, all of the amendments had been concurred in, and the pending question was on striking out the exemption of wine for sacramental purposes, proposed by Mr Rose, advocated by Mr Adams, and opposed by Mr Curry, all briefly.

On re-assembling, a resolution requiring that the Assembly go into Committee at 2½ P. M. *on the general file*, Mr. Pratt moved to suspend that order, and continue the special order.—*Carried.*

Mr. Rose's amendment was carried.

Mr Randall offered an amendment exempting beer, native wine and cider.

Mr. Moscowitz, another exempting brandy and cheap whiskey, saying that as his American friends were disposed to help the Germans, he was disposed to return the compliment by favoring [illegible] and his Irish friends—*lost* 23 to 45. Mr. Pratt spoke earnestly against the amendment on Mr. Randall, calling for a clean bill, if one was to be had.

Mr Randall's amendment was *lost.*

Mr Virgin moved to amend so as to allow spirits to be used on the premises of the agents for medical purposes—*lost.*

Mr. Bennett renewed Mr. Randall's amendment in substance, to a different section—*Lost*, 41 to 51.

Mr. Downer moved to amend so that if there are no applicants for agencies, the authorities *may appoint*—*lost*, 29 to 41.

Mr. P. H. Smith moved to strike out Sec 7, and spoke at some length in favor—*lost.*

And then the bill was *ordered engrossed*, by the following vote;

AYES: Abbott, Adams, Allen, Bond, Colley, Dana, Dawes, Field, Giles, Gary, Hadley, H. Goodell, W. Grant, Hamilton, Her [illegible], Hollenbeck, Hyer, Howard, Ideson, Jones, Kilpatrick, Lester, Lyon, McMillan, Morrison, Morris, Mosher, Parker, Pratt, Randall, Rose, Sherman, A. Taylor, Vilas, Wakeley, Warren, Welch, Whitcomb, White, Wyman, Rhodes—41.

NAYS: Bennett, Boyd, Carr, Chase, Cross, Delany, Dewitt, Downer, Earnest, Ellicott, Fisher, Gibb, Goss, Green, Hunt, Juneau, Lane, Martin, Mazewitz, O'Neill, Ramsay, Stibbs, E. Taylor, Reed, Ryan, Sawtell, Schrey, B. Smith, P. H. Smith, Thompson, Van Nostrand, Wheeler, Wright—32.

The following bills were passed:

For a state road *from Arena to Bald Bluff.*

Authorizing certain towns in Rock and Walworth to aid a Railroad.

Providing for electing a Sheriff and District Attorney in Washington Co.

Amending act for state road from Potosi to Muscoda.

The bill providing for a 10th Judicial Circuit was, on motion of Mr. Martin, referred to the delegation from Brown, Calumet, Outagamie and Manitowoc.

Mr. Abbott, from the select committee to whom was referred the communication of J. R. Coville, concerning certain lands withheld from him in the School Land Office, *reported in full.* The Report will be printed in the Journal to-morrow, and I will send it. Its conclusions are that it is a common practice in the office to allow clerks and others to enter forfeited lands before they have been advertised 8 weeks as required by law that the application made in this case by J. A. Byrne, a clerk in the office, and the certificate given to him, are illegal and void; that Mr. Coville's application was not in legal form either, because he was ignorant of the law, and was not informed that his application was not legal till too late; that Mr Coville, being a poor man, has been wronged out of his land and subjected to trouble and expense; that John A. Byrne, the clerk, deceived and wronged the petitioner, and ought to be summarily put out of office; and that Mr. Bosley, the head of the new Land Bureau, acted wrong in awarding the land to Mr. Byrne. The Committee further call attention to the law which forbids the Commissioners from purchasing any of the lands, which is violated in its spirit and intent by allowing the clerks to purchase them; and they recommend the passage of a stringent law putting a stop to this practice forever hereafter.

The Report comes straight to the point, and is signed by S. G. Abbott, Jas. Bennet, and W. H. Ramsey.

After the introduction of several bills, mentioned above, the Assembly adjourned.

W. H. W.

Madison, March, 2, 1855.

I inclose a copy, from the Journal, of the Report of the select committee on the memorial of I R Coville. The facts and conclusions of this Report ought to be spread before the people, as the result of the examination of *one* of the investigating committees.

The able speech of Senator Taylor appears in both the State *Journal* and *Patriot* this morning. It will be read with interest throughout the state.

In Senate:

Petitions:

By Mr Giles, for liquor law.

By Mr McGarry, asst of the *Scobie*.

Bills introduced:

By Mr Bowen, appropriating $1460 each to W H Gleason and Wm Blake, the Sergeants-at-Arms, for themselves and their assistants. (A long debate upon this bill ended with its reference.)

By Mr Kelsey, to legalize a state road.

" " Giles, memorial for a mail route.

" " Sutherland, charter of Wauconda Academy.

By Mr Hadley, amending the Bank Law.

" " " providing for contingent expenses of the Comptroller's office.

By Mr Gibson, providing for pre-emptions to swamp lands.

By Mr Bowen, amending the state prison laws.

" " Gill, concerning the sale of railroads.

" " Bashford, concerning public buildings in Winnebago Co.

By Mr. Adams, repealing chap 344 local laws of '53.

By Mr. Dunn, *providing for codifying the* Laws of the State. Referred to Judiciary Committee. (The bill provides that Jas H Knowlton, J G Knapp, and Joseph Sleeper be Commissioners to perform the duty,—to prepare and print the code—to meet in the Supreme Court room on the 2d Monday of April—to keep a *journal of their proceedings*—with authority to employ a clerk—the commissioners to receive $5,00 and the clerk $2,00 per day, for each days actual attendance—any vacancy to be filled by the remaining commissioners &c, &c.) Ordered printed.

Bills passed:

(The list is already sent, except one appropriating $1400 each to the Sergeants-at-Arms for themselves and the officers under them, which had already passed the Assembly.)

In Assembly, 9 A. M;

Petitions:

By Mr. Davis, to amend charter of village of Sauk City.

By Mr. White, *against change of system of* county government.

Bills introduced:

By Mr. Davis, amending charter of Sauk City.

By Mr. Gary, authorizing the voters of town of Oshkosh to vote in the city.

By Mr. Gary, for a state road.

(On the representation of Mr. Gary that bills to the same effect had been introduced by him four weeks since, and passed to an engrossment, but had disappeared, the rules were suspended and the bills *passed.*)

By Mr. Colley, appropriating part pay to S. G. *Pierce and* P. J. Hanna, officers—*Passed.*)

Mr. Goodrich introduced a resolution to adjourn on Saturdays to 3 P. M on Mondays, so as to allow members *living on the line of the rail*-road to get back. Mr. Bennett proposed to debate the resolution, and it went over.

Numerous reports were made from standing committees.

On motion of Mr. Sherman, a bill authorizing school dist No 2 in Oak Grove to levy a special tax was taken up and passed.

The Report of the Committee of the whole of Tuesday last was taken up and disposed of, the County Government bill being made the special order for Wednesday next.

A long session in Committee of the whole followed, Mr. Vilas in the chair, the general bills being gone through, many of the bills, however, being referred to committees or laid over as eliciting debate.

The great Bill for Organizing the Militia came up in committee—or rather, was lifted up, the strength of the Chairman, re-invigorated after his residence at the Water-Cure, proving sufficient for the undertaking. The huge roll of paper was not untied, and a motion was made to *refer* it back to the House, to be unanimously passed, which *carried* by about two to one *against* it. So the bill was sent back—carried back—rolled back—and in the House was made the special order for Friday evening, March 9th, at 7 o'clock.

The bill providing against a depreciated currency was made the special order for Thursday next.

The Assembly, as I said, finished up the file, which occupied till after 12 o'clock, and then continued in session till 1 P. M. till all the bills *were disposed of. Several times the motion to* adjourn was made, but each time either withdrawn or voted down, and when at length the last bill was handed over to the clerk, the motion to adjourn was carried with a will by the famished members.

The resolution to meet at 2½ P M, on the general file, was not considered as particularly important to-day, since there were no bills *left* on the general file.

The snow has been coming down rapidly all the morning, but it is almost a rain, and does not promise to add much to the sleighing. The train from Milwaukee was in nearly on its time.

Mr. Cole's Reply.

Madison, March 21, 1855.

MESSRS. F H. West, N. D. McIntoe and others;

Gentlemen:—I have the honor to acknowledge the receipt of a communication, signed by you and other members of the legislature, requesting me to allow my name "to be used, at the approaching judicial election, as an independent *candidate for the office of Associate Justice of* the Supreme Court of this State."

While I appreciate, as fully as one can, the high compliment paid me by this expression of your confidence, I can assure you that I have had great difficulty in prevailing upon myself to accede to your wishes. I have, however, concluded to do so and hereby announce myself as a candidate for the above named office—at the same time pledging myself, if elected, to discharge its important and responsible duties to the best of my ability.

I remain, with sentiments of regard, most respectfully, your obedient servant,

O. COLE.

THE JUDICIAL ELECTION.

From the Kenosha Telegraph.

We have heard no complaints of Judge Crawford in the performance of his general duties. He does not lack for ability, and has been honest, industrious, and faithful, has, in short, given us general satisfaction, as any person else could, who might have been chosen to the place. If we apprehend it will not be denied that Orsamus Cole is fully his equal in ability, is quite as honest and industrious and will prove as faithful.—Thus far the two gentlemen stand upon the same level, and if it were only the rights of property which our Judges are called upon to adjudicate, it might be a matter of no importance to the people which was chosen. But here the parallel ends. The Court has to *do* with Human rights as well as the rights of property, and to all the freedom and justice loving people of the state, as well as those who would restore the constitution to its original purpose and preserve it pure hereafter, Cole is infinitely the better man—indeed the only one for whom they can conscien ly *vote.*

From the Fond du Lac Herald.

We learn from the State *Journal* that a call is being gotten up and extensively signed in favor of Hon. ORSAMUS COLE, of Grant Co., for the same office. Next to Judge HOWE, who positively declines being a candidate, Mr. C. is unquestionably the *choice of the people of this* part of the state. As a man and lawyer, he stands pre-eminently high; and his position on the subject of the law we have just mentioned, is such as to commend him most strongly to the people of this state. We hope he will respond favorably to the call, and we fully believe he can be triumphantly elected.

From the Wisconsin Freeman

By common consent it seems to be the intention of those who do not wish the Bench of the Supreme Court to be occupied by one who by any possibility can see Law in the Fugitive Slave Act, to vote for Orsamus Cole. He is not old upon those questions, where the rights of a man are at stake and will probably be the only man run in opposition to Crawford.

NEW TRIAL GRANTED TO A SLAVE TRADER.—Capt. Schmidt, convicted in the U. S. Circuit Court at New York for having been engaged in the slave trade, has had a new trial granted to him on some technical points touching his citizenship and his ownership of the vessel. The evidence was full, that the prisoner, as master of the vessel, sailed from the port of New York to the coast of Africa, took in a cargo of negroes, and from thence sailed to the Island of Cuba where the cargo was landed, and the ship burnt by his orders. It is a remarkable fact that though many persons have been tried in New York for being concerned in the slave-trade since it was declared to be piracy, not *one* has yet been punished for the crime.

MILWAUKEE DEMOCRATIC NOMINATIONS.—The Democracy of Milwaukee have had the good sense to nominate for Mayor, Hon. James B. Cross, at present Member of the Assembly from that city. Mr. Cross is a sound, unflinching democrat, and the Democracy of Milwaukee ought to give him $3000 majority at least.—*Madison Patriot.*

How large a numerical majority the *Patriot* considers as a fair equivalent for the $3000 it calls for, *in* behalf of Mr. *Cross, it forgets to* tell.

THE BANK COMPTROLLER'S REPORT.—Comptroller Dennis is winning golden opinions for his clear and able report on the Banking system of our State—even the Madison *Journal* and his Madison *Patriot* violent opposition Journals are forced to commend it.—[Wisconsin.

What does the *Wisconsin* mean, in classing the *Patriot* as a "violent opposition paper" to Mr. Dennis? We have never said a word in opposition to Mr. Dennis, simply because we have never seen any *reason* for making opposition to him.—[Madison Patriot.

All that the *Wisconsin* means—if it have any meaning, which is usually a fair question with its paragraphs—is to make the most of the admitted phenomenon of *one* good officer in the present State Administration.

☞ The *Wisconsin* desires to know why the *Sentinel* supports ORSAMUS COLE for Judge, if we do not desire to proscribe Judge CRAWFORD. For the all sufficient reason that we think Mr. COLE, the fitter man for the place. There is no more "proscription" in the *Sentinel's* opposing JUDGE CRAWFORD, than there is in the *Wisconsin's* opposing Mr. COLE.

Declination of Mr. Comstock.

SATURDAY EVENING, March 3, 1855.

Editors Milwaukee Sentinel:

Being duly informed of my nomination for Mayor, by the People's City Convention this day held, I improve the earliest opportunity of publicly announcing my inability to accept the honor intended. My present and future plans effectually prohibit the possibility of my standing a poll, and I most respectfully decline.

O. COMSTOCK.

People's Convention.

The Delegates to the People's Convention, held on Saturday last, are requested to meet at the Common Council Room *this* morning at 10 o'clock, to nominate a candidate for Mayor, in place of CHARLES COMSTOCK, declined.

S. S. DAGGETT, Chairman.

J. S. FILLMORE, Secretary.

The Election—The Nominations.

To-MORROW is our Charter Election, and the occasion is one which demands not the presence only, but the active exertions at the Polls, of the BUSINESS MEN, and TAX-PAYERS of our City. In another column will be found the list of candidates nominated at the different Independent meetings for City and Ward Officers. Our readers will recognize among them many of our most substantial citizens and successful Business Men, to whose hands the interests of the City may be safely confided. It is with no little reluctance that some of them have been induced to accept nominations; and now that they are in the field it becomes the duty of all good citizens and especially of our Merchants, Forwarders and Mechanics, to rally to the Polls and give them their hearty, enthusiastic and united support. It *is* so seldom that practical and successful Business men can be persuaded to become candidates for City or Ward Offices, that when they do, no honorable effort should be spared to elect them.

City Convention.

Mr. COMSTOCK declines running for Mayor and the Chairman of the Independent City Convention has thereupon called the Delegates together at 10 o'clock *this* morning, at the Common Council Room, to consult as to the expediency of making another nomination.

THE PEOPLE'S CANDIDATE FOR MARSHAL.—It will be seen by a card in our advertising columns, that Mr. Mitchell has withdrawn his name as a candidate for City Marshal, in favor of WILLIAM BECK, the present Under Sheriff, and earnestly solicits all his friends to aid in electing Mr. BECK to that office. Mr. BECK is so well known to the people of this city, as an energetic, faithful, honest and determined officer, proved by innumerable instances, that anything we can say in his behalf would be superfluous. The people of this city have an opportunity of electing as Marshal, a man known throughout the State, as the most efficient police officer within its limits, an opportunity not often presenting itself, and we hope that next Tuesday night will see Mr. BECK the elected Marshal of this city by a heavy majority. The result of such a choice we are confident would be the quiet, but perfect performance of all the duties pertaining to that office; one of the most, if not quite the most *important* office held under the Charter. A large portion of the inhabitants of this city being Germans, the selection of Mr. BECK as a candidate for the office of City Marshal, will tend materially to quiet acquiescence in the requirements of the city ordinances, and secure for us abroad and at home the character of a peaceful and well ordered City.

☞ The *Wisconsin* of Saturday, for reasons best known to itself, drags the name of Col. SAWYER into its columns, and represents the gentleman as a candidate for Alderman of the 1st Ward but "ruled out" by adverse influences. Col. SAWYER requests us to say that he neither expected, desired, nor would have accepted a nomination for Alderman. The *Wisconsin's* paragraph is an impudent fiction.

Mass Meeting of Germans.

At a meeting of the Germans of the Fifth Ward, held at the Niagara House on Friday night, March 3d, the following resolutions were passed:

Resolved, That the nomination of Erastus Foote, as City Attorney, by the late Convention in this City, is a gross insult, not only to the German citizens of the 5th Ward, but to all citizens of Milwaukee.

Resolved, That all Germans who have any regard for themselves, and who despise demagogues, should manifest their contempt for said Foote, by erasing his name from their tickets.

Resolved, That these resolutions be printed in all the city papers.

FRANCIS HARPSTER, Chairman.

JOHN G. MESSWINKEL, Secretary.

SPECIAL ELECTION,
Tuesday, April 3.

For Associate Justice of the Supreme Court.

ORSAMUS COLE.

LEGAL LAW PASSED.—It will be seen from our Madison correspondence that the Prohibitory Liquor Law passed the Assembly on Saturday by the strong vote of 42 yeas to 23 nays, very nearly two to one. The Senate is expected to concur, the opinions differ as to what the Governor will do.

☞ Senator TAYLOR's capital speech in the Senate upon the whitewashing resolution introduced by a member of "the Balance," and *finally indefinitely postponed* by a vote of *two to one*, provokes the following notice of it from the Madison *Democrat*, the "official State paper:"

TAYLOR'S LIES.—The lovely twin organs of the "manufacture" publish several columns of stupidity, malice, bathosery, and falsehood which purport to be a speech of Senator Taylor's reported by himself for their columns. As the joint production of himself and landlord, it is quite in character.

We shall make room for this speech, that our readers may see how severe was the lashing which extorts this yelp from the Admirals tender organ. Apparently "Taylor's last" is more to the liking than Taylor's first.

NEW HAMPSHIRE ELECTION.—The election in New Hampshire for State Officers, Members of Congress and Members of the Legislature, comes off on Tuesday next, March 13th. The contest, in the last accounts, is very close. The Administration men on the one side, and opposition, on the other; the predominant issue being the question of Slavery. Every opposition candidate for Congress is pledged against the Nebraska Iniquity and the Fugitive Slave Law. The Legislature to be chosen is to elect two U. S. Senators. We hope that unlike their brethren west and south of Vermont, they will be Northern men and friends of Freedom.

THE CASES *in Claims.*—The Philadelphia *Pennsylvanian*, a democratic paper, gives a monetary account of the dead set made upon President Pierce for office in the *Court of Claims*. It says that Judges and ex-Judges, Senators and ex-Senators Members of Congress and ex-Governors have all entered the lists and are clamorous for an appointment. The *Pennsylvanian* nevertheless expresses the belief that the selections will be made with sole reference to character and capacity and will be free from the jobbery of partisan politics. Among the persons mentioned as likely to be appointed Judges are ex-Chancellor Walworth of New York, ex-Chief Justice Stanley of Mississippi, Dave Johnson, of Tennessee and G. W. Dallas of Pennsylvania.

Voting down Agitation.

THE Detroit *Free Press*, a zealous preacher of Union Democracy, and the steady subpoena of Cass, copies and complimends the vote of the Senate a few days since, by which the instruction of Mr. CHASE of Ohio, to refer to a select committee certain petitions for the repeal of the Fugitive Slave Act, the abolition of Slavery in the District of Columbia, and the prohibition of Slavery in all the Territories of the Republic, was laid upon the table. The vote stood, Yeas 29, Nays 19, the subject by being Messrs. Bernard, Chase, Cooper, Dodge of Wis., Fessenden, Foote, Gillette, Hamlin, James Seward, Sumner, Walker and Wade.

The result is duly chronicled at Detroit over the head of "Agitation Laid Low," with this characteristic remark:

"This is an emphatic vote, yet it must be remembered extra that there are thirteen men in the United States Senate who would consider such patriotic

The *Free Press*, unless its career should be prematurely cut off, will live to see a much larger number than "thirteen men in the United States Senate," ready not only to "consider," but to grant the prayer of, just such petitions.—"Agitation" on these questions may be "voted down" again and again, at Washington, but it will not *stay* "down" even there, and all thro' the free States it will spread farther and wider, until no man can be sent to either House of Congress who is not favorable to precisely the objects asked for by these obnoxious petitions.

SUBSCRIBERS.—The *Wisconsin* of Friday takes ground against the election of HENRY A. WISE, the democratic candidate for Governor of Virginia and gets "hard and comfort" to his Know-Nothing contributors. This seems to verify the charge made by a "Fourth Ward Democrat" in the *News* that the *Wisconsin* is a Know-Nothing organ, and "bolts" the regular nomination of Ald *Jamieson* in the Fourth Ward, as it did that of Gen. MCCRARY of the Third, because he is an Irishman and a Catholic.

THE EASTERN MAGAZINES.—We are indebted to LEONARD SCOTT & Co., of New York, for copies of the *Edinburgh Review* for January and Blackwood for February. There is a great deal of instructive and entertaining reading in both.—Among the leading articles in the Edinburgh are those upon "Cardinal Mezzofanti," "Modern French Literature," "The Siege of Rhodes in 1480," "Charles the Fifth," "Mount Athos and its Monasteries," and the history of "Private Bill Legislation." Blackwood serves up some more chapters of the graphic "Story of the Campaign" in the Crimea, "Schamyl and the War in Caucasus," "Zadee," continued, the "Revelations of a Showman" (Barnum,) and a criticism upon "Bulwer." The subscription price of Blackwood is $3 00 per year, and of the Edinburgh $5 00. Address L. Scott & Co., 79 Fulton St., New York.

WISCONSIN CENTRAL R.R.—In Wall Street, on the 26th ult we notice a sale at auction of $10 000 of Racine City Bonds 7 per cent, at 85½, and $5 500 La Crosse and Milwaukee Rail Road 8's at 58.

ST. LOUIS.—The population of St. Louis, according to a census just taken, is 97,642, including 2 256 colored persons, which is an increase of about 12 000 since the census of 1852-'53. The population of the city and suburbs will reach nearly 120 000.

NEWSPAPER MATTER IN 1854.—According to a letter published in the Madison *Patriot*, the last Legislature paid the round sum of $7222 29 for newspaper advertising. The present Legislature have promptly cut off that item of expense altogether, saving therefrom over seven thousand dollars to the Treasury.

TANEY'S TIMES A HEAD.—The News of Saturday came officially announced that when the Supreme Court of the U. S. review the decision of our State Court in the Booth case, they will pronounce in such terms upon "the mob spirit of our Judiciary" as will cover that court with the contempt of the people of the Union."

They had better "hurry up" their comments, then, for just now our State Court is in a fair way to be overwhelmed with the applause of the Free Press and Free People of the North, and a little sense of support from the People of the South and their Democratic friends at the North would be a pleasant variety. Bring on your contempt "*Mr. News.*"

From Madison.

EDITOR AL CORRESPONDENCE OF THE SENTINEL.

Madison, March 1, 1855.

In Senate, this morning;

Petitions:

By Mr Ludington, for a law authorizing a special tax in Ashford.

Bills introduced:

By Mr Eldridge, authorizing a special tax in Ashford.

By Mr Adams, declaring a certain road a legal highway.

By Mr Clement, relative to the rights of married women.

By Mr Adams, for a state road from Atena to Bald Bluff. Passed.

(The titles of the other bills passed are already sent.)

The Assembly has been one of hard work. Bills in the morning was a communication from the Commissioners of the School Lands in answer to a resolution calling upon them to explain the shocking blunders in their report. The apology is a very poor one, amounting to throwing the blame upon the under clerks employed to make out the tables. At all events, the blunders are acknowledged, the Commissioners comforting themselves and the State by the assurance that the figures in the *Secretary of State's* Report are correct.

Another communication was read, from Beriah Brown, in answer to the report of the Printing Committee on the Documentary History. He insisted that the paper said was a very costly article;—that the binding of the volumes distributed is not a fair sample of the whole—that the paper in each volume cost 25c, and the binding 75c, &c., &c.

The communication was sent to the Committee on Printing.

Petitions were presented:

By Mr Griffin, to allow Dodge Co. to raise a tax for roads and bridges.

By Mr Abbott, of W. B. Jarvis, for an enquiry as to the propriety of removing all the State benevolent institutions to the Capitol.

By Mr Downer, for a memorial for mail route.

" " Vilas, account of A. F Gray.

" " Martin, claim of Mrs Ream.

" " Colley, do Mrs L Bird.

" " Davis, 2 for state roads.

Bills introduced;

By Mr P. H. Smith, charter of Outagamie Fire and Marine Ins. Co.

By Mr P. H. Smith, amending Revised Statutes relative to defaults and damages

By Mr Cross, for a state road from Milwaukee to Fort Washington.

By Mr Martin, to change time of Spring Circuit in Brown Co.

By Mr Ramsey, authorizing Fredonia to build a bridge.

By Mr B Smith, appropriation to Lester and McGuire (a former small claim for $13,00.)

By Mr McIndoe, concerning Bills of exchange and promissory notes.

By Mr Hull, to amend a certain state road law.

By Mr Cross, relative to certain tax titles in Milwaukee.

By Mr Colley, authorizing Racine to sell plank road stock.

By Mr Delong, repealing the act of '54 for publishing general laws.

By Mr Davis, appropriation to State Prison Committee.

By Mr Davis, amending act, amending charter of *Fort Winnebago, Baraboo* and Minnesota R R Co.

By Mr Thompson, authorizing Trustees of Sauk City to build a bridge.

By Mr Fisher, to exempt certain university lands from taxation.

Of the foregoing list of bills, those named after the ' were introduced in the afternoon session, after the Liquor bill was disposed of.

Orders for the morning session.

Mr Martin introduced a joint resolution to adjourn on the 22d inst, and to receive no new business after the 10th. Lies over. Mr Colley moved to take up the special order—the Temperance Bill. *Carried.*

Mr Goss' motion to postpone indefinitely was *lost* 33 to 47. Mr Downs' substitute (the Ohio law, without any exemption) being in order. Mr Hill then moved to dispense with the reading; lost 24 to 35. The substitute being read, Mr Downs briefly advocated the adoption as a better law than the one under consideration, and one which had been declared constitutional.

Mr Vilas moved the previous question and sustained it.

Mr Sherman moved to amend by making the substitute go into effect 1st June '55, it adopted. *L. t.* The sub-titute was *then voted down*, 45 to 7.

Mr Hull moved the previous question—not sustained.

The question was now taken separately on the amendments made to the bill by the Committee of the Whole. Broken only by two motions to adjourn, which failed, this operation continued till nearly one o'clock, when, on the representation by Mr White that he was "both dry and hungry," the Assembly adjourned to 2½ P. M.—By this time, all of the amendments had been concurred in, and the pending question was on striking out the exception of wine for sacramental purposes, proposed by Mr *Ross, advocated* by Mr Adams, and opposed by Mr Gary, all briefly.

On re-assembling, a resolution requiring that the Assembly go into Committee at 2½ P. M. on the general file, Mr. Pratt moved to suspend that order, and continue the special order.—*Carried*

Mr. Ross's amendment was carried.

Mr. Randall offered an amendment exempting beer, native wine and cider.

Mr. Moscowitz, another exempting brandy and cheap whiskey, saying that as his American friends were disposed to help the Germans, he was disposed to return the compliment by favoring part of his and his Irish friends—*lost* 23 to 45. Mr. — still spoke earnestly against the amendment of Mr. Randall, calling the action bill, if one was to be, bad.

Mr. Randall's amendment was *lost*.

Mr. Virgin moved to amend so as to allow spirits to be used on the *promises* of the agents for medical purposes—*lost*.

Mr. Bennett renewed Mr. Randall's amendment in substance, to a different section—*Lost*, 21 to 51.

Mr Downs moved to amend so that if there are no applicants for agencies, the authorities may appoint—*lost*, 29 to 41.

Mr. P. H. Smith moved to strike out Sec 7, and spoke at some length in favor—*lost*.

And then the bill was *ordered engrossed*, by the following vote;

YEAS: Abbott, Adams, Allen, Bond, Colley, Davis, Downer, Field, Fisher, Gary, Goodrich, Goodall, W. Grant, Gregg, Hamilton, Hazleton, Hollenbeck, Hopper, Howard, Isham, Johnson, Kellogg, Kellogg, Lewis, Martin, McIndoe, Merriam, Moore, Mr. Parker, Pratt, Randall, Rose, Sherman, A. Taylor, Virgin, Wakely, Warren, Welch, Whitney, White, Wilson, Stokes—41.

NAYS: Bennett, Boyd, Cary, Clark, Cross, Delany, Dewolf, Downer, Earnest, Eldredge, Fisher, Gibb, Goss, Green, Hull, Jewett, Lacey, Martin, Moscowitz, O'Neill, Ramsey, Robbins, Rogers, Rood, Ryan, Schwefel, Scheerer, Smith, P H Smith, Thompson, Van Nostrand, Vilas, Wait, Young—39

The following bills were passed:

An act to state road from Aroma to Bald Bluff.

Authorizing certain towns in Rock and Walworth to aid a Railroad.

Providing for electing a Sheriff and District Attorney in Washington Co

An amending act for state road from Potosi to Mineral.

The bill providing for a 10th Judicial Circuit was, on motion of Mr. Martin, referred to the delegation from Brown, Calumet, Outagamie and Manitowoc.

Mr. Abbott, from the select committee to whom was referred the communication of J. R. Coville, concerning certain lands withheld from him in the School Land Office, reported in full. The Report will be printed in the Journal to-morrow, and I will send it. Its conclusions are that it is a common practice in the office to allow clerks and others to enter forfeited lands before they have been advertised 6 weeks as required by law; that the application made in this case by J. A. Byrne, a clerk in the office, and the certificate given to him, are illegal and void; that Mr. Coville's application was not in legal form either, because he was ignorant of the law, and was not informed that his application was not legal till too late; that Mr. Coville, being a poor man, has been wronged out of his land and subjected to trouble and expense; that John A. Byrne, the clerk, deceived and wronged the petitioner, and ought to be summarily put out of office; and that Mr. Bosley, the head of the Land Bureau, acted wrong in awarding the land to Mr. Byrne. The Committee further call attention to the *law which forbids* the Commissioners from purchasing any of the lands, which is violated in its spirit and intent by allowing the clerks to purchase them; and they recommend the passage of a stringent law putting a stop to this practice forever hereafter.

The Report comes straight to the point, and is signed by S. G. Abbott, Jas. Bennet, and W. H. Ransey.

After the introduction of several bills, mentioned above, the Assembly adjourned.

W. H. W.

Madison, March, 2, 1855.

I enclose a copy, from the Journal, of the Report of the select committee on the memorial of J R Covill. The facts and conclusions of this Report ought to be spread before the people, as the result of the examination of *one* of the investigating committees.

The able speech of Senator Taylor appears in both the State *Journal* and *Patriot* this morning. It will be read with interest throughout the state.

" " Gill, concerning the sale of railroads.

" " Bashford, concerning public buildings in Winnebago Co.

By Mr. Adams, repealing chap 344 local laws of 1853.

By Mr. Dunn, providing for codifying the laws of the State. Referred to Judiciary Committee. (The bill provides that Jas H Knowlton, J G Knapp, and Joseph Sloeper be Commissioners to perform the duty,—to prepare and print the code—to meet in the Supreme Court room on the 2d Monday of April—to keep a journal of their proceedings—with authority to employ a clerk—the commissioners to receive $5,00 and the clerk $2,00 per day, for each days actual attendance—any vacancy to be filled by the remaining commissioners &c, &c.) Ordered printed.

Bills passed:

(The list is already sent, except one appropriating $1400 each to the Sergeants-at-Arms for themselves and the officers under them, which had already passed the Assembly.)

In Assembly, 9 A. M;

Petitions:

By Mr. Davis, to amend charter of village of Sauk City.

By Mr. White, against change of system of county government.

Bills introduced:

By Mr. Davis, amending charter of Sauk City.

By Mr. Gary, authorizing the voters of town of Oshkosh to vote in the city.

By Mr. Gary, for a state road.

(On the representation of Mr. Gary that bills to the same effect had been introduced by him four weeks *since, and passed to an engrossment*, but had disappeared, the rules were suspended and the bills *passed*.)

By Mr. *Colley*, appropriating part pay to S. G. Pierce and P. J. Hanna, officers—*Passed.*)

Mr. Goodrich introduced a resolution to adjourn on Saturday to 3 P. M on Mondays, so as to allow members living on the line of the railroad to get back. Mr. Bennett proposed to debate the resolution, and it went over.

Numerous reports were made from standing committees.

On motion of Mr. Sherman, a bill authorising school dist No 2 in Oak Grove to levy a special tax was taken up and passed.

The Report of the Committee of the whole of Tuesday last was taken up and disposed of, he County Government bill being made the pecial order for Wednesday next.

A long session in Committee of the whole *followed, Mr. Vilas in the chair, the general* de being gone through, many of the bills, however, being referred to committees or laid over as eliciting debate.

The great Bill for Organizing the Militia came up in committee—or rather, was lifted up, the strength of the Chairman, re-invigorated after his residence at the Water-Cure, proving sufficient for the undertaking. The huge roll of paper *was* not untied, and a motion was made to refer t back to the House, to be unanimously passed, which *carried* by about two to one *against* it, so the bill was sent back—carried back—rolled back—and in the House was made the special order for Friday evening, March 9th, at 7 o'clock.

The bill providing against a depreciated currency was made the special order for Thursday next.

The Assembly, as I said, finished up the file, which occupied till after 12 o'clock, and then continued in session till 1 P. M. till *all the bills were* disposed of. Several times the motion to adjourn was made, but each time either withdrawn or voted down, and when at length the last bill was handed over to the clerk, the motion to adjourn was carried with a will by the famished members.

The resolution to meet at 2½ P M, on the general file, was not considered as particularly important to-day, since there were no bills *left* on the general file.

The snow has been coming down rapidly all the morning, but it is almost a rain, and does not promise to add much to the sleighing. The train *from* Milwaukee was in nearly on its time.

Mr. Cole's Reply.

Madison, March 2d, 1855.

MESSRS. F'H. West, *N. D.* McIndoe and others;

Gentlemen:—I have the honor to acknowledge the receipt *of a communication*, signed by you and other members of the legislature, requesting me to allow my name "to be used, at the approaching judicial election, as an independent candidate for the office of Associate Justice of the Supreme Court of this State."

While I appreciate, as fully as one can, the high compliment paid me by this expression of your confidence, I can assure you that I have had great difficulty in prevailing upon myself to accede to your wishes. I have, however, concluded to do so and hereby announce myself as a candidate for the above named office—at the same time pledging myself, if elected, to discharge its important and responsible duties to the best of my ability.

I remain, with sentiments of regard, most respectfully, *your obedient servant*,

O. COLE.

THE JUDICIAL ELECTION.

From the Kenosha Telegraph.

We have heard no complaints of Judge Crawford in the performance of his general duties. He does not lack for ability, and has been honest industrious, and faithful, has, in short, given a general satisfaction, as any person else could who might have been chosen to the place. Do we apprehend it will not be denied that Orsamus Cole is fully his equal in ability, is quite as honest and industrious and will prove as faithful.—Thus far the two gentlemen stand upon the same level, and if it were only the rights of property which our Judges are called upon to adjudicate it might be a matter of no importance to the people which was chosen. But here the parallel ends. The Court has to do with Human rights as well as the rights of property, and to all the *freedom and justice loving people of the state* as well as those who would restore the constitution to its original purpose and preserve it pure hereafter, Cole is infinitely the better man—indeed the only one for whom they can consistently vote.

From the Fond du Lac Herald.

We learn *from the State Journal* that a call is being gotten up and extensively signed in favor of Hon. ORSAMUS COLE, of Grant Co., for the same office. Next to Judge HOWE, who positively declines being a candidate, Mr C. is unquestionably the choice of the people of this part of the state. As a man and lawyer, he stands pre-*eminently high; and his position on the subject* of the law we have just mentioned, is such as to commend him most strongly to the people of this state. We hope he will respond favorably to the call, and we fully believe he can be triumphant ly elected.

From the Wisconsin Freeman.

By common consent it seems to be the intention of those who do not wish the Bench of the Supreme Court to be occupied by one who by any possibility can see Law in the Fugitive Slave Act, to vote for Orsamus Cole. He is sound upon those questions, where the rights of man are at stake and will probably be the only man in opposition to Crawford.

NEW TRIAL GRANTED TO A SLAVE TRADER.—Capt. Schmidt, convicted in the U. S. Circuit Court at New York for having been engaged in the slave trade, has had a new trial granted to him on some technical points touching his citizenship and his ownership of the vessel. The evidence was full, that the prisoner, as master of the vessel, sailed *from the port of New York* to the coast of Africa, took in a cargo of negroes, and from thence sailed to the Island of Cuba where the cargo was *landed*, and the ship burnt by his orders. It is a remarkable fact that though many persons have been tried in New York for being concerned in the slave-trade since it was declared to be piracy, not one has yet been punished for the crime.

MILWAUKEE DEMOCRATIC NOMINATIONS.—The Democracy of Milwaukee have had the good sense to *nominate* for Mayor, Hon. James T. Cross, at present Member of the Assembly from that city. Mr. Cross is a sound, unflinching democrat, and the Democracy of Milwaukee ought to give him $3000 majority at least.—*Madison Patriot.*

How large a numerical majority the *Patriot* considers as a fair equivalent for the $3000 it calls for, in behalf of Mr. Cross, it forgets to tell.

THE BANK COMPTROLLER'S REPORT.—Comptroller Dennis is winning golden opinions for his clear and able report on the Banking system of our State—even the Madison *Journal* and the Madison *Patriot* violent opposition Journals are forced to commend it.—[Wisconsin.

What does the *Wisconsin* mean, in classing the *Patriot* as a "violent opposition paper" to Mr. Dennis? We have never said a word in opposition to Mr. Dennis, simply because we have never seen *any reason for making opposition* to him.—[Madison Patriot.

All that the *Wisconsin* means—if it have any *meaning*, which is usually a *fair question* with its paragraphs—is to make the most of the admitted phenomenon of one good officer in the present State *Administration.*

☞ The *Wisconsin* desires to know why the *Sentinel* supports ORSAMUS COLE for Judge, if we do not desire to proscribe Judge CRAWFORD. For the self sufficient reason that we think Mr. COLE, the fitter man for the place. There is no more "proscription" in the *Sentinel's* opposition to JUDGE CRAWFORD, than there is in the *Wisconsin's* opposing Mr. COLE.

Declination of Mr. Comstock.

SATURDAY EVENING, March 3, 1855.

Editors Milwaukee Sentinel:

Being duly informed of my nomination for Mayor, by the People's City Convention this day held, I improve the earliest opportunity of publicly announcing my inability to accept the honor intended. My present and future plans effectually prohibit the possibility of my standing a poll, and I most respectfully decline.

O. COMSTOCK.

People's Convention.

The Delegates to the People's Convention, held on Saturday last, are requested to meet at the Common Council Room *this morning* at 10 o'clock, to nominate a candidate for Mayor, in place of OSMON COMSTOCK, declined.

S. S. DAGGETT, Chairman.

J. S. FILLMORE, Secretary.

The Election—The Nominations.

To-Morrow is our Charter Election, and the occasion is one which demands not the presence only, but the active exertions at the Polls, of the BUSINESS MEN, and TAX-PAYERS of our City. In another column will be found the list of candidates nominated at the different Independent meetings for City and Ward Officers. Our readers will recognize among them many of our most substantial citizens and successful Business Men, to whose hands the interests of the City may be safely confided. It is with no little reluctance that some of them have been induced to accept nominations; and now that *they are in the field it becomes* the duty of all good citizens and especially of our Merchants, Forwarders and Mechanics, to rally to the Polls and give them their hearty, enthusiastic and united support. It is so seldom that practical and successful Business men can be persuaded to become candidates for City or Ward Offices, that when they do, no honorable effort should be spared to elect them.

City Convention.

Mr. COMSTOCK declines running for Mayor and the Chairman of the Independent City Convention has thereupon called the Delegates together at 10 o'clock *this* morning, at the Common Council Room, to consult as to the expediency of making another nomination.

THE PEOPLE'S CANDIDATE FOR MARSHAL.—It will be seen by a card in our advertising columns, that Mr. Mitchell has withdrawn his name as a candidate for *City Marshal, in favor* of WILLIAM BECK, the present Under Sheriff, and earnestly solicits all his friends to aid in electing Mr. BECK to that office. *Mr. BECK is so well* known to the people of this city, as an energetic, faithful, honest and determined officer, proved by innumerable instances, that anything we can say in his behalf would be superfluous. The people of this city have an opportunity of electing an Marshal, a man known throughout the State, as the most efficient police officer within its limits, an opportunity not often presenting itself, and we hope that next Tuesday night will see Mr. BECK the elected Marshal of this city by a *heavy majority. The result of such a choice we* are confident would be the quiet, but perfect performance of all the duties pertaining to that office; one of the most, if not quite the most important office held under the Charter. A large portion of the inhabitants of this city being Germans, the selection of Mr. BECK as a candidate for the office of City Marshal, will tend materially to quiet acquiescence in the requirements of the city ordinances, and secure for us abroad and at home the character of a peaceful and well ordered City.

☞ The *Wisconsin* of Saturday, for reasons best known to itself, drags the name of Col. SAWYER into its columns, and represents the gentleman as a candidate for Alderman of the 1st Ward but "ruled out" by adverse influences. Col. SAWYER requests us to say that he neither expected, desired, nor would have accepted a nomination for Alderman. The *Wisconsin's* paragraph is an impudent fiction.

Mass Meeting of Germans.

At a *meeting* of the Germans of the Fifth Ward, held at the Niagara House on Friday night, March 3d, the following resolutions were passed:

Resolved, That the nomination of Erastus Foote, as City Attorney, by the late Convention in this City, is a gross insult, not only to the German citizens of the 5th Ward, but to all citizens of Milwaukee.

Resolved, That all Germans who have any regard for themselves, and who despise demagogues, should manifest their contempt for said Foote, by erasing his name from their tickets.

Resolved, That these resolutions be printed in all the city papers.

FRANCIS HARMYER, Chairman.

JOHN G. MESSWINKEL, Secretary.

☞ We have not heard that the Legislature has adjourned, or taken a recess, but we notice both Senator HADLEY and Assemblyman CROSS in town, tending election. This is one of the advantages of electing the same man to fill two, or three offices.

Independent City Convention.

The Delegates to the Independent City Convention met at the Common Council Room, on Saturday at 10 A. M., and organized by appointing S. S. DAGGETT, Chairman, and J. S. FILLMORE, Secretary. The following Delegates appeared and took their seats:

First Ward—S S Daggett, Wm Thwaite, H K White, G D Norris, John Furlong.

Second Ward—None present.

Third Ward—Patrick Healy, John Bray, John Corcoran, Michael Burke, M Debney.

Fourth Ward—Joel Hood, A L Kane, A K Williams, S R Johnson, Jos Sprague.

Fifth Ward—Hiram Merrill, Martin Glason, E S Stone, Gregory Wunsel, Wm Axtell.

Fourth Ward Caucus.

A Republican Caucus was held at the Menominee Hotel, pursuant to a call of the Ward Committee, *Saturday evening*, March 3d, for the purpose of nominating Ward Officers to be supported at the coming Election.

The Meeting was organized by calling Joel Hood to the Chair, A. K. Williams appointed Secretary. When the following ticket was reported and nominated:

Alderman for 2 years, Haven Powers; do for 1 year, Caleb Harrison; Assessor, Ambrose Ely; R. R. Commissioner, A. L. Kane; Constable, W. G. Haack.

Joel Hood, Jon. Crouch, Joseph Sprague were appointed Ward Committee for the ensuing year. On motion adjourned.

CIRCUIT COURT.

JUDGE HUBBELL, PRESIDING.

Conviction for Murder.

The trial of Edward Fassbinder for murder, for the shooting of Marienas Schwister in the town of Granville, on the 17th of *December* last year, was brought to a close Saturday evening. The circumstances are briefly these; Schwister and two others Nettleofer and Engles went to the grocery kept by Fassbinder and called for some whiskey and drank it, the men then commenced to throw dice for a quart of beer, Fassbinder wanted pay in advance, to this they objected, and one of them asked Fassbinder if he thought they meant to do as he had done, go to a tavern and drink and go away without paying for it. This *appears* to have enraged Fassbinder, who went into his bed room and came out with a bottle holding it by the neck in a threatening manner, Engles took up a flat-iron and said, "if that's what you want, come on." Mrs. Fassbinder got the bott

ARRESTED BY CONSENT.
ONE DOLLAR for a Bottle of SHERIDAN'S HAIR RESTORATIVE, pronounced by the Faculty to be the best article ever offered to the public. Those having their Hair come out can have it stopped, and those having a good head of hair by its use. This fully establishes the fact that it will restore a growth of its natural color, and is not a humbug, but is REALITY. Go at once and get a bottle of the Restorative and try all who have used it. See Circulars, &c., for testimonials from ladies and gentlemen, stating positively that it has restored their hair, after using from one to three bottles. Price $1.00, 3 large bottles for $2.50. CITY LAND OFFICE.
A SAD ACCIDENT HAPPENED TO ME THIS MORNING on my way to DANIEL NEWALL Esq's Warehouse, to inform him that I had sold his residence I was within fifty feet of his Warehouse, when my sleigh ill-paid my account and broke down, and they started to run. I paid on the reins and was thrown out. My son, who was with me, got out safely; but I was unfortunate enough to be kicked in the face, which, tho' not serious, may be a mark for life, which will show how uncertain all things are.
Although I am wounded and suffer somewhat from pain, I am yet prepared and ready to attend to all business at Real Estate operations. And I return thanks to Providence, that He preserved me and kept me from a more severe accident CALEB WALL.

[SPECIAL DESPATCH TO THE SENTINEL.]
New York, March 3d.
Latest accounts from Europe state that Lord John Russell was indisposed and his departure for Vienna delayed in consequence. The Russians in a sortie had killed and wounded 300 French. On the 31st January Lord Raglan narrowly escaped being *shot*. Mercantile classes express no confidence in peace. F. A. A.

JUDICIAL ELECTION,
Tuesday, April 3.
For Associate Justice of the Supreme Court,
ORSAMUS COLE.

LOCAL LAW PAPER.—It will be seen from our Madison correspondence that the Prohibitory Liquor Law passed the Assembly on Saturday by the strong vote of 42 yeas to 23 nays, very nearly two to one. The Senate is expected to concur, but opinions differ as to what the Governor will do.

☞ Senator TAYLOR'S capital speech in the Senate upon the whiskey resolutions introduced by a member of "the Balance," and *indefinitely postponed* by a vote of *two to one*, provokes the following comment from the Madison *Democrat*, the "official State paper:"

TAYLOR'S LOAF.—The lovely twin organs of the "Stonyshaw" publish several columns of stupidly maimed, mutilated, and falsehood which purports to be a speech of Senator Taylor's reported by himself for their columns. As the joint proprietors of boarder and landlord, it is quite in character.

We shall make no further room for this speech, than to say we have never seen the lashing which rained upon the yelp from the Admirals Manor began apparently "Taylor's last" in order to their licking their Taylor's first.

NEW HAMPSHIRE ELECTION.—The election in New Hampshire for State Officers, Members of Congress and Members of the Legislature, comes off on Tuesday next, March 13th. The contest, it has an understanding of the Slave Democracy, promises to be a close one. There are four candidates for Governor in the field and in the event of none of them receiving a majority of all the votes cast, the election devolves upon the Legislature. On Congress it is a straight fight between the Administration men on the one side, and opposition, on the other; the predominant issue being the question of Slavery. Every opposition candidate for Congress is pledged against the Nebraska Iniquity and the Fugitive Slave Law. The Legislature to be chosen is to elect two U. S. Senators. We hope that unbiddable dispatches will come from the Granite State, they will be Northern men and friends of Freedom.

THE COURT OF CLAIMS.—The Philadelphia *Pennsylvanian*, a democratic paper, gives a mortifying account of the deal sat made upon President Pierce for offices in the Court of Claims. It says that Judges and ex-Judges, Senators and ex-Senators Members of Congress and ex-Governors have all entered the lists and are clamorous to be appointed. The *Pennsylvanian* nevertheless expresses the belief that the appointments will be made with sole reference to character and capacity and will be free from the prejudices of partisan politics. Among the persons mentioned as likely to be appointed Judges are ex-Chancellor Walworth of New York, ex-Chief Justice Stanley of Mississippi, Gov. Johnson, of Tennessee and G. M. Dallas of Pennsylvania.

Voting down Agitation.

The Detroit *Free Press*, a zealous preacher of Slave Democracy, and the steady eulogist of Gen. Cass, copies and compliments the vote of the Senate a few days since, by which the motion of Mr. Chase of Ohio, to refer to a select committee certain petitions for the repeal of the Fugitive Slave Act, the abolition of Slavery in the District of Columbia, and the prohibition of Slavery in all the Territories of the Republic, was laid upon the table. The vote stood, Yeas 29, Nays 13, the minority being Messrs. Bernard, Chase, Cooper, Dodge of Wis., Fessenden, Foote, Gillette, Hamlin, James Seward, Sumner, Walker and Wade.

The result is duly chronicled as I gloried over by the *Free Press*, under the head of "Agitation Voted Down" with this characteristic remark:

This is an emphatic vote, yet it must be remembered extra-official, that there are thirteen members of the United States Senate who would consider such pertinent

The *Free Press*, unless its career should be prematurely closed, will live to see a much larger number than "thirteen men in the United States Senate," not by any to "consider," but to grant the prayer of, just such petitions.—"Agitation" on these questions may be "voted down" again and again, at Washington, but it will not stay "down" even there, and all thro' the Free States it will spread farther and wider, until no more can be sent to either House of Congress who is not favorable to precisely the objects asked for by these obnoxious petitions.

DISSATISFIED.—The *Wisconsin* of Friday takes ground against the election of HENRY A. WISE, the democratic candidate for Governor of Virginia and gives "cold comfort" to his Know-Nothing competitor. This seems to verify the charge made by a "Fourth Ward Democrat" in the *News* that the *Wisconsin* is a Know-Nothing organ, and "holds" the regular nomination of old Joe Warren in the Fourth Ward, as it *did* that of Senator McKesson of the Third, because he is an Irishman and a Catholic.

THE EDINBURGH MAGAZINE.—We are indebted to LEONARD SCOTT & CO., of New York, for copies of the Edinburgh Review for January and Blackwood for February. There is a great deal of instruction and entertaining reading in both.—Among the leading articles in the Edinburgh are those upon "Cardinal Mezzofanti," "Modern French Literature," "The Siege of Rhodes in 1666," "Charles the Fifth," "Mount Athos and its Monasteries," and the history of "Private Bill Legislation." Blackwood serves up some more chapters of the graphic "Story of the Campaign" in the Crimea," "Schamyl and the War in Caucasus" "Zadoc," continued, the "Revelations of a Statesman" (Sherman,) and a criticism upon "Balmez." The subscription price of Blackwood is $3 00 per year, and of the Edinburgh $3 00. Address L. Scott & Co., 79 Fulton St., New York.

WISCONSIN SECURITIES.—In Wall Street, on the 26th ult we note sales at auction of $10 000 of Racine City Bonds 7 per cent, at 55½, and $30 000 La Crosse and Milwaukee Rail Road 8's at 50.

ST. LOUIS.—The population of St. Louis, according to a census just taken, is 87,642, including 2,956 colored persons, which is an increase of about 12 000 since the census of 1852-'53. The population of the city and suburbs will reach nearly 120 000.

RECEIPTS OF RENTS IN 1854.—According to a statement made in the Madison *Patriot*, the last Legislature paid the round sum of $7222 29 for newspapers alone. The present Legislature have promptly cut off that item of expense altogether, saving therefor over seven *thousand dollars* to the Treasury.

TANEYISM TURNS A HEAD.—The *News* of Saturday coins editorially announces that when the Supreme Court of the U. S. revises the decision of our State Court in the Rescue case "they will pronounce as much as one upon the high spirit of our Judiciary" as will cover that court with the contempt of the people of the Union."

They had better "hurry up" their comments, then, for just now our State Court is in a fair way to be overwhelmed with the applause of the Free Press and Free People of the North, and a little spice of opposition from the People of the South and their Doughface friends at the North would be a pleasant variety. Bring on your contempt "Mr. *News*.

From Madison.

EDITOR AL CORRESPONDENCE OF THE SENTINEL.

Madison, March 1, 1855.

In Senate, this morning:

Petitions:

By Mr Eldridge, for a law authorizing a special tax in Ashford.

By Messrs Clement and Bowen, for a liquor law.

Bills introduced:

By Mr Eldridge, authorizing a special tax in Ashford.

By Mr. *Adams, declaring a certain road* a legal highway.

By Mr Clement, relative to the rights of married women.

By Mr. Adams, for a state road from Arena to Bald Bluff.—*Passed.*

(The titles of the other bills passed are already sent.)

In Assembly the day has been one of hard work. First in the morning was a communication from the Commissioners of the School Lands in answer to a resolution calling upon them to explain the shocking blunders in their report. The apology is a very poor one, amounting to throwing the blame upon the junior clerks employed to make out the tables. At all events, the blunders are acknowledged, the Commissioners comforting themselves and the State by the assurance that the figures in the *Secretary of State's* Report are correct.

Another communication was read, from Beriah Brown, in answer to the report of the Printing Committee on the Documentary History. He insists that the paper used was a very costly article;—that the binding of the volumes distributed is not a fair sample of the whole—that the paper *in each volume cost* 22c, and the binding 25c, &c., &c.

The communication was sent to the Committee on Printing.

Petitions were presented:

By Mr Griffin, to allow Dodge Co. to raise a tax *for roads and bridges.*

By Mr P. H. Smith, charter of Outagamie Fire and Marine Ins. Co.

By Mr P. H. Smith, amending Revised Statutes relative to defaults and damages

By Mr Cross, for a state road from Milwaukee to Fort Washington.

By Mr Martin, to change time of Spring Circuit in Brown Co.

By Mr Ramsey, authorizing Fredonia to build a bridge

By Mr B Smith, appropriation to Lester and McCombs (a four year old claim for $13,00.)

By Mr McIndoe, concerning bills of exchange and promissory notes.

By Mr Hull, to amend a certain state road law

By Mr Cross, relative to certain tax titles in Milwaukee.

By Mr Falvey authorizing Racine to sell plank road stock.

By Mr Delany, repealing the act of '54 for publishing general laws.

By Mr Davis, appropriation to State Prison Committee.

By Mr Davis, amending act, amending charter of Port *Winnebago*, Baraboo and Minnesota R R Co.

By Mr Thompson, authorizing Trustees of Sauk City to build a bridge,

By Mr Fisher, to exempt certain university lands from taxation.

On this formidable list of bills, those named after the 7th were introduced in the afternoon session, after the liquor bill was disposed of.

No return in the morning session.

Mr Martin introduced a joint resolution to adjourn on the 22d inst., and to receive no new business after the 10th. Lies over. Mr Colley moved to take up the special order—the Temperance Bill. *Carried.*

Mr Goss' motion to postpone indefinitely was lost 23 to 47. Mr Downs' substitute (the Ohio law, without any) exemption) being in order. Mr Bills moved to dispense with the reading; lost 24 to 35. The substitute being read, Mr Downs briefly advocated its adoption as a better law than the one under consideration, and one which had been declared constitutional.

Mr Vilas moved the submission clause as an amendment. *Lost.*

Mr Sherman moved to amend by making the submission go into effect 1st June '55, if adopted. *Lost.* The substitute was *then voted down*, 45 to 14.

Mr Hull moved the previous question—not sustained.

The question was now taken separately on the amendments made to the bill by the Committee of the Whole. Broken only by two motions to adjourn, which failed, this operation continued till nearly one o'clock, when, on the representation by Mr White that he was "both dry and hungry," the Assembly adjourned to 2½ P. M.—By this time, all of the amendments had been concurred in, and the pending question was on striking out the exception of wine for sacramental purposes, proposed by *Mr Ross, advocated* by Mr Adams, and opposed by Mr Gary, all briefly.

On reassembling, a resolution requiring that the Assembly go into Committee at 2½ P. M. on the general file, Mr. Pratt moved to suspend that order, and continue the special order.—*Carried*

Mr. Ross's amendment was carried.

Mr. Randall offered an amendment exempting beer, native wine and cider.

Mr. Moseley, another exempting brandy and cheap whiskey, saying that as his American friends were disposed to help the Germans, he was disposed to return the compliment by favoring Pat and his Irish friends—*lost* 33 to 45. Mr. Gary spoke earnestly against the amendment of Mr. Randall, calling for a clean bill, if one was to be had.

Mr. Randall's amendment was *lost.*

Mr. Virgin moved to amend so as to allow spirits to be used on the *promises of the agents* for medical purposes—*lost.*

Mr. Bennett renewed Mr. Randall's amendment in substance, to a different section—*Lost*, 24 to 51.

Mr Downs moved to amend so that if there are no applicants for agencies, the authorities may appoint—*lost*, 29 to 44.

Mr. P. H. Smith moved to strike out Sec 7, and spoke at some length in favor—*lost.*

And then the bill was *ordered engrossed*, by the following vote;

Yeas: Abbott, Adams, Allen, Bond, Colley, Dana, Ferry, Field, Filer, Gary, Goodrich, Goodall, W. Grant, Lyon, Hoe Lyon, Hollenbeck, Hopper, Howard, Isham, Jones, Kellogg, Kirkpatrick, Lewis, McIndoe, Merriam, Meyer, Miller, Parker, Pratt, Randall, Rose, Sherman, A. Taylor, Virgin, Wikely, Warren, Welch, Whitney, White, Wilkinson, Woodward—33.

Nays: Bennett, Boyd, Cary, Chase, Cross, Delany, Dewell, Downs, Barnett, Ebbetts, Fisher, Gibb, Goss, Graham, Hull, Juneau, Lewis, Martin, Mckenzie, O'Neill, Ramsey, Reddie, Regan, Reed, Rixon, Schweifel, Sebrans, Smith, P H Smith, Thompson, Van Nostrand, Vilas, Wait, Wood—33

The following bills were passed:

For a state road from Arena to Bald Bluff.

Authorizing certain towns in Rock and Walworth to aid a Railroad.

Providing for electing a Sheriff and District Attorney in Washington Co.

Amending act for state road from Potosi to Mineral.

The bill providing for a 10th Judicial Circuit was, on motion of Mr. Martin, referred to the delegation from Brown, Calumet, Outagamie and Manitowoc.

Mr. Abbott, from the select committee to whom was referred the communication of J. R. Coville, concerning certain lands withheld from him in the School Land Office, reported in full. The Report will be printed in the Journal to-morrow, and I will send it. Its conclusions are that it is a common practice in the office to allow clerks and others to enter forfeited lands before they have been advertised 8 weeks as required by law; that the application made in this case by J. A. Byrne, a clerk in the office, and the certificate given to him, are illegal and void; that Mr. Coville's application was not in legal form either, because he was ignorant of the law, and was not informed that his application was not legal till too late that Mr. Coville, being a poor man, has been wronged out of his land and subjected to trouble and expense; that John A. Eyrne, the clerk, deceived and wronged the petitioner, and ought to be *summarily* put out of office; and that Mr. Bosley, the head of the new Land Bureau, acted wrong in awarding the land to Mr. Byrne. The Committee further call attention to the law which forbids the Commissioners from purchasing any of the lands, which is violated in its spirit and intent by allowing the clerks to pure use them; *and they recommend* the passage of a stringent law putting a stop to this *pure ice forever* hereafter.

The Report comes straight to the point, and is signed by S. G. Abbott, Jas. Bennet, and W. H. Randsey.

After the introduction of several bills, mentioned above, the Assembly adjourned.

W. H. W.

Madison, March, 2, 1855.

I enclose a copy, from the Journal, of the Report of the select committee on the memorial of J R Covill. The facts and conclusions of this Report ought to be spread before the people, as the result of the examination of one of the investigating committees.

The able speech of Senator Taylor appears in both the State *Journal* and *Patriot* this morning. It will be read with interest throughout the state.

In Senate:

Petitions:

By Mr Giles, for liquor law.

By Mr McGarry, sect of the *Serbats.*

Bills introduced:

By Mr Bowen, appropriating $1400 each to W H Gleason and Wm Blake, the Sergeants-at-Arms, for themselves and their assistants. (A long debate upon this bill ended with its reference.)

By Mr. Kelsey, to legalize a state road.

" " Giles, memorial for a mail route.

" " Sutherland, charter of Wauconda Academy.

By Mr Hadley, amending the Bank Law.

" " " providing for contingent expenses *of the Comptroller's* office.

By Mr Gibson, providing for pre-emptions to swamp lands.

By Mr Bowen, amending the state prison laws.

" " Gill, concerning the sale of railroads.

" " Bashford, concerning public buildings in Winnebago Co.

By Mr. Adams, repealing chap 344 local laws of '53.

By Mr. Dunn, providing for codifying the laws of the State. Referred to Judiciary Committee. (The bill provides that Jas H Knowlton, J G Knapp, and Joseph Skeeper be Commissioners to perform the duty,—to prepare and print the code—to meet in the Supreme Court room on the 2d Monday of April—to keep a journal of their proceedings—with authority to employ a clerk—the commissioners to receive $5,00 *and the clerk $2,00 per day, for* each days actual attendance—any vacancy to be filled by the remaining commissioners &c., &c.) Ordered printed.

Bills passed:

(The list is already sent, except one appropriating $1400 each to the Sergeants-at-Arms for themselves and the officers under them, which had already passed the Assembly.)

In Assembly, 9 A. M;

Petitions:

By Mr. Davis, to amend charter of village of Sauk City.

By Mr. White, against change of system of county government.

Bills introduced:

By Mr. Davis, amending charter of Sauk City.

By Mr. Gary, authorizing the voters of town of Oshkosh to vote in the city.

By Mr. Gary, for a state road.

(On the representation of Mr. Gary that bills to the same effect had been introduced by him four weeks *since, and passed* to an engrossment, but had disappeared, the rules were suspended and the bills *passed.*)

By Mr. Colley, appropriating part pay to S. G. Pierce and P. J. Hanna, officers—*Passed.*)

Mr. Goodrich introduced a resolution to adjourn on Saturdays to 3 P. M on Mondays, so as to allow members living on the line of the railroad to get back. Mr. Bennett proposed to debate the resolution, and it went over.

Numerous reports were made from standing committees.

On motion of Mr. Sherman, a bill authorizing school dist No 2 in Oak Grove to levy a special tax was taken up and passed.

The Report of the Committee of the whole of Tuesday last was taken up and disposed of, the County Government bill being made the special order for Wednesday next.

A long session in Committee of the whole followed, Mr. Vilas in the chair, the goutral de being gone through, many of the bills, however, being referred to committees or laid over as eliciting debate.

The great Bill for Organizing the Militia came up in committee—or rather, was lifted up, the strength of the Chairman, re-invigorated after his residence at the Water-One, proving sufficient for the undertaking. The huge roll of paper was not untied, and a motion was made to refer it back to the House, to be unanimously passed, which *carried* by about two to one *against* it, so the bill was sent back—carried back—rolled back—and in the House was made the special order for Friday evening, March 9th, at 7 o'clock.

The bill providing against a depreciated currency was made the special order for Thursday next.

The Assembly, as I said, finished up the file, which occupied till after 12 o'clock, and then continued in session till 1 P. M. till all the bills were disposed of. Several times the motion to adjourn was made, but each time either withdrawn or voted down, and when at length the last bill was handed over to the clerk, the motion to adjourn was carried with a will by the famished members.

The resolution to meet at 2½ P M, on the general file, was not considered as particularly important to-day, since there were no bills *left* on the general file.

The snow has been coming down rapidly all the morning, but it is almost a rain, and does not promise to add much to the sleighing. The train from Milwaukee was in nearly on its time.

Mr. Cole's Reply.

Madison, March 2d, 1855.

Messrs. F'H. West, N. D. McIndoe and others;

Gentlemen:—I have the honor to acknowledge the *receipt of a communication*, signed by you and other members of the legislature, requesting me to allow my name "to be used, at the approaching judicial election, as an independent candidate for the office of Associate Justice of the Supreme Court of this State."

While I appreciate, as fully as one can, the high compliment paid me by this expression of your confidence, I can assure you that I have had great difficulty in prevailing upon myself to accede to your wishes. I have, however, concluded to do so and hereby announce myself as a candidate for the above named office—at the same time pledging myself, if elected, to discharge its *important* and responsible duties to the best of my ability.

I remain, with sentiments of regard, most respectfully, *your obedient servant,*

O. COLE.

THE JUDICIAL ELECTION.

From the Kenosha Telegraph.

We have heard no complaints of Judge Crawford in the performance of his general duties. He does not lack for ability, and has been honest industrious, and faithful, has, in short, given a general satisfaction, as any person else could who might have been chosen to the place. But we apprehend it will not be denied that Orsamus Cole is fully his equal in ability, is quite as honest and industrious and will prove as faithful.—Thus far the two gentlemen stand upon the same level, and if it were only the rights of property which our Judges are called upon to adjudicate it might be a matter of no importance to the people which was chosen. But here the parallel ends. The Court has to do with Human right as well as the rights of property, and to all the *freedom and justice loving people of the state* as well as those who would restore the constitution to its original purpose and preserve it pure hereafter, Cole is infinitely the better man—in deed the only one for whom they can consistently vote.

From the Fond du Lac Herald.

We learn from the State *Journal* that a call is being gotten up and extensively signed in favor of Hon. ORSAMUS COLE, of Grant Co., for the same office. Next to Judge Howe, who positively declines being a candidate, Mr. C. is unquestionably the choice of the people of this part of the state. As a man and lawyer, he stands pre-*eminently high*; and his position on the *subject* of the law we have just mentioned, is such as to commend him most strongly to the people of this state. We hope he will respond favorably to this call, and we fully believe he can be triumphant ly elected.

From the Wisconsin Freeman.

By common consent it seems to be the intention of those who do not wish the Bench of the Supreme Court to be occupied by one who by any possibility can see Law in the Fugitive Slave Act, to vote for Orsamus Cole. He is sound upon those questions, where the rights of man are at stake and will probably be the only man run in opposition to Crawford.

NEW TRIAL GRANTED TO A SLAVE TRADER.—Capt. Schmidt, convicted in the U. S. Circuit Court at New York for having been engaged in the slave trade, has had a new trial granted to him on some technical points touching his citizenship and his ownership of the vessel. The evidence was full, that the prisoner, as master of *the vessel, sailed from the port of New York* to the coast of Africa, took in a cargo of negroes, and from thence sailed to the Island of Cuba where the cargo was landed, and the ship burnt by his orders. It is a remarkable fact that though many persons have been tried in New York for being concerned in the slave-trade since it was declared to be piracy, not one has yet been punished for the crime.

MILWAUKEE DEMOCRATIC NOMINATIONS.—The Democracy of Milwaukee have had the good *sense to nominate for Mayor, Hon.* James I. Cross, at present Member of the Assembly from that city. Mr. Cross is a sound, unflinching democrat, and the Democracy of Milwaukee ought to give him 3000 majority at least.—*Madison Patriot.*

How large a numerical majority the *Patriot* considers as a fair equivalent for the $3000 it calls for, in behalf of Mr. Cross, it forgets to tell.

THE BANK COMPTROLLER'S REPORT.—Comptroller Dennis is winning golden opinions for a clear and able report on the Banking system of *our State*—even the Madison *Journal* and the Madison *Patriot* violent opposition Journals are forced to commend it.—[Wisconsin.

What does the *Wisconsin* mean, in classing the *Patriot* as a "violent opposition paper" to Mr. Dennis? We have never said a word in opposition to Mr. Dennis, simply because we have *never seen any reason for making opposition* to him.—[Madison Patriot.

All that the *Wisconsin* means—if it have any *meaning*, which is usually a fair *question* with its paragraphs—is to make the most of the admitted phenomenon of *one* good officer in the present *State Administration.*

☞ The *Wisconsin* desires to know why the *Sentinel* supports ORSAMUS COLE for Judge, if we do not desire to proscribe Judge CRAWFORD. For the all sufficient reason that we think MR. COLE, the fitter man for the place. There is no more "proscription" in the *Sentinel's* opposition to JUDGE CRAWFORD, than there is in the *Wisconsin's* opposing MR. COLE.

Declination of Mr. Comstock,

SATURDAY EVENING, March 3, 1855.

Editors Milwaukee Sentinel:

Being duly informed of my nomination for Mayor, by the People's City Convention this day held, I improve the earliest opportunity of publicly announcing my inability to accept the honor intended. My present and future plans effectually prohibit the possibility of my standing a poll, and I most respectfully decline.

O. COMSTOCK.

People's Convention.

The Delegates to the People's Convention, held on Saturday last, are requested to meet at the Common Council Room *this* morning at 10 o'clock, to nominate a candidate for Mayor, in place of CHARLES COMSTOCK, declined.

S. S. DAGGETT, Chairman.

J. S. FILLMORE, Secretary.

The Election—The Nominations.

To-MORROW is our Charter Election, and the occasion is one which demands not the presence only, but the active exertions at the Polls, of the BUSINESS MEN, and TAX-PAYERS of our City. In another column will be found the list of candidates nominated at the different Independent meetings for City and Ward Officers. Our readers will recognize among them many of our most substantial citizens and successful Business Men, to whose hands the interests of the City may be safely confided. It is with no little reluctance that some of them have been induced to accept nominations; and now that *they are in the field it becomes* the duty of all good citizens and especially of our Merchants, Forwarders and Mechanics, to rally to the Polls and give them their hearty, enthusiastic and united support. It is so seldom that practical and successful Business men can be persuaded to become candidates for City or Ward Offices, that when they do, no honorable effort should be spared to elect them.

City Convention.

Mr. COMSTOCK declines running for Mayor and the Chairman of the Independent City Convention has thereupon called the Delegates together at 10 o'clock *this* morning, at the Common Council Room, to consult as to the expediency of making another nomination.

THE PEOPLE'S CANDIDATE FOR MARSHAL.—It will be seen by a card in our advertising columns, that Mr. Mitchell has withdrawn his name as a candidate for *City* Marshal, in favor of WILLIAM BECK, the present Under Sheriff, and earnestly solicits all his friends to aid in electing Mr. BECK to that office. *Mr. BECK is so well* known to the people of this city, as an energetic, faithful, honest and determined officer, proved by innumerable instances, that anything we can say in his behalf would be superfluous. The people of this city have an opportunity of electing as Marshal, a man known throughout the State, as the most efficient police officer within its limits, an opportunity not often presenting itself, and we hope that next Tuesday night will see Mr. BECK the elected Marshal of this city by a *heavy majority. The result* of such a choice we are confident would be the quiet, but perfect performance of all the duties pertaining to that office; one of the most, if not quite the most important office held under the Charter. A large portion of the inhabitants of this city being Germans, the selection of Mr. BECK as a candidate for the office of City Marshal, will tend materially to quiet acquiescence in the requirements of the city ordinances, and secure for us abroad and at home the character of a peaceful and well ordered City.

☞ The *Wisconsin* of Saturday, for reasons best known to itself, drags the name of Col. SAWYER into its columns, and represents the gentleman as a candidate for Alderman of the 1st Ward but "ruled out" by adverse influences. Col. SAWYER requests us to say that he neither expected, desired, nor would have accepted a nomination for Alderman. The *Wisconsin's* paragraph is an impudent fiction.

Mass Meeting of Germans.

At a meeting of the Germans of the Fifth Ward, held at the Niagara House on Friday night, March 3d, the following resolutions were passed:

Resolved, That the nomination of Erastus Foote, as City Attorney, by the late Convention in this City, is a gross insult, not only to the German citizens of the 5th Ward, but to all citizens of Milwaukee.

Resolved, That all Germans who have any regard for themselves, and who despise demagogues, should manifest their contempt for said Foote, by erasing his name from their tickets.

Resolved, That these resolutions be printed in all the city papers.

FRANCIS HARMYER, Chairman.

JOHN G. MUENWELES, Secretary.

☞ We have not heard that the Legislature has adjourned, or taken a recess, but we notice both Senator HADLEY and Assemblyman CROSS in town, tending election. This is one of the advantages of electing the same man to fill two, or three offices.

Independent City Convention.

The Delegates to the Independent City Convention met at the Common Council Room, on Saturday at 10 A. M., and organized by appointing S. S. DAGGETT, Chairman, and J. S. FILLMORE, Secretary. The following Delegates appeared and took their seats:

First Ward—S S Daggett, Wm Thwaits, H K White, G D Norris, John Furlong.

Second Ward—None present.

Third Ward—Patrick Healy, John Bray, John Corcoran, Michael Burke, M Debney.

Fourth Ward—Joel Hood, A L Kane, A K Williams, S R Johnson, Jos Sprague.

Fifth Ward—Hiram Merrill, Martin Glesod, E S Stone, Gregory Wunzel, Wm Axtell.

Fourth Ward Caucus.

A Republican Caucus was held at the Menomonee Hotel, pursuant to a call of the Ward Committee, *Saturday evening*, March 3d., for the purpose of nominating Ward Officers to be supported at the coming Election.

The Meeting was *organized by calling Joel* Hood to the Chair, A. K. Williams appointed Secretary. When the following ticket was reported and nominated:

Alderman for 2 years, Haven Powers; do for 1 year, Caleb Harrison; Assessor, Ambrose Ely; R. R. Commissioner, A. L. Kane; Constable, W. G. Haack.

Joel Hood, Jon. Crouch, Joseph Sprague were appointed Ward Committee for the ensueing year. On motion adjourned.

CIRCUIT COURT.

JUDGE HUBBELL, PRESIDING.

Conviction for Murder.

The trial of Edward Fassbinder for murder, for the shooting of Marienus Schwister in the town of Grauville, on the 17th of December last year, was brought to a close Saturday evening. The circumstances are briefly these; Schwister and two others Nettleofer and Engles went to the grocery kept by Fassbinder and called for some whiskey and drank it, the men then commenced to throw dice for a quart of beer, Fassbinder wanted pay in advance, to this they objected, and one of them asked Fassbinder if he thought they meant to do as he had done, go to a tavern and drink and go away without paying for it. This *appears* to have enraged Fassbinder, who went into his bed room and came out with a bottle holding it by the neck in a threatening manner, Engles took up a flat-iron and said, "if that's what you want, come on." Mrs. Fassbinder got the bottle away from her husband, and the iron away from Engles. The men then sat down to the table to throw the

LEGAL LAW PAPER.—It will be seen from our Madison correspondence that the Prohibitory Liquor Law passed the Assembly on Saturday by the strong vote of 41 yeas to 23 nays, very nearly two to one. The Senate is expected to concur, but opinions differ as to what the Governor will do.

☞ SENATOR TAYLOR'S capital speech in the Senate upon the whitewashing resolutions introduced by a member of the Balance, "and *indorsed* by a vote of *two to one*, provokes the following remarks from the editorial from the Madison *Democrat*, the "Fifth State paper":

TAYLOR'S LAST.—The lovely twin-organs of the "sharpshooter" in which several columns of stupidity, malice, buffoonery, and falsehood which purports to be a speech of Senator Taylor's reported by himself for their columns. As the joint production of brother and landlord, it is quite in character.

We shall not hazard to find room for this speech, that our readers may see how severe was the lashing which extorts the yelp from the Administration organ. Apparently "Taylor's last" is no more to bear rating than Taylor's *first*.

NEW HAMPSHIRE ELECTION.—The election in New Hampshire for State Officers, Members of Congress and Members of the Legislature, comes off on Tuesday next, March 13th. The contest, in the ancient stronghold of the Stark Democracy promises to be a close one. There are four candidates for governor in the field, and in the event of no one of them receiving a majority of all the votes cast the election devolves upon the Legislature. In Congress it is a straight fight between the Administration men, on the one side and opposition men, on the other; the predominant issue being the question of Slavery. Every Opposition candidate for Congress is pledged against the Nebraska Infamy and the Fugitive Slave Law. The Legislature to be chosen is to elect two U. S. Senators. We hope that unlike their predecessors from the Granite State, they will be Northern to the backbone.

THE COURT OF CLAIMS.—The Philadelphia *Pennsylvanian* a democratic paper, gives a mortifying account of the dead set made upon President Pierce after office in the Court of Claims. It says that Judges and ex-Judges, Senators and ex-Senators Members of Congress and ex-Governors have all entered the lists and are clamorous for an appointment. The *Pennsylvanian* nevertheless expresses the belief that the selections will be made with sole reference to character and capacity, and will be free from the prejudices of partizan politics. Among the persons mentioned as likely to be appointed Judges are ex-Chancellor Walworth of New York, ex-Commissioner Starkey of Mississippi Cave Johnson, of Tennessee and G. W. Dallas of Pennsylvania.

Voting down Agitation.

The Detroit *Free Press*, a zealous preacher of Smash Democracy, and the steady colleague of Gov. Case—copies and complimants the vote of the Senate a few days since, by which the motion of Mr Chase of Ohio, to refer to a select committee certain petitions for the repeal of the Fugitive Slave Act, the abolition of Slavery in the District of Columbia, and the prohibition of Slavery in all the Territories of the Republic, was laid upon the table. The vote stood, Yeas 29, Nays 13, the majority being Messrs. Bernard Cheen, Cooper, Dodge of Wis., Fessenden, Foote, Gillette, Hamlin, James, Seward, Sumner, Walker and Wade.

The result is duly chronicled and gloried over by the *Free Press* under the head of "Agitation Voted Down" with this characteristic remark:

This is an unpolitic vote, yet it must be commended extra ordinary that there are thirteen men in the United States Senate who would consider such petitions.

The *Free Press*, unless its career should be prematurely closed, will live to see a much larger number than "thirteen men in the United States Senate" ready not only to "consider," but to grant the prayer of, just such petitions.—"Agitation" on these questions may be "voted down" again and again, at Washington, but it will not *stay* "down" even there, and all thro' the *Free States it will spread farther and wider*, until no man can be sent to either House of Congress who is not favorable to precisely the objects asked for by these obnoxious petitions.

PERSONAL.—The *Wisconsin* of Friday takes ground against the election of HENRY A. WISE, the democratic candidate for Governor of Virginia and gives "aid and comfort" to his Know-Nothing competitor. This seems to verify the charge made by a "Fourth Ward Democrat" in the *Free* that the *Wisconsin* is a Know-Nothing organ, and "bolts" the regular nomination of Ald Jamieson in the Fourth Ward, as it did that of Senator M GRAY of the Third, because he is an Irishman and a Catholic.

THE HARPER'S MAGAZINE.—We are indebted to LEONARD SCOTT & Co., of New York, for copies of the Edinburgh Review for January and Blackwood for February. There is a great deal of interesting and entertaining reading in both.—Among the leading articles in the Edinburgh are those upon "Cardinal Mezzofanti," "Modern French Literature," "The Siege of Rhodes in 1480," Charles the Fifth," "Mount Athos and its Monasteries," and the history of "Private Bill Legislation." Blackwood serves up some more chapters of its graphic "Story of the Campaign" in the Crimea, "Schamyl and the War in Caucasia," "Under" continued, the "Revelations of a Showman" (Barnum,) and a criticism upon "Bulwer." The subscription price of Blackwood is $5 per year, and of the Edinburgh $6.00. Address L. Scott & Co. 79 Fulton St., New York.

SECURITIES.—In Wall Street on the 26th ult. we note sales at auction of $20,000 of Racine City Bonds, 7 per cent, at 55½, and $6 500 La Crosse and Milwaukee Rail Road 6's at 50.

ST. LOUIS.—The population of St. Louis, according to a census just taken, is 97,642, including 2 916 colored persons, which is an increase of about 12,000 since the census of 1852-'53. The population of the city and suburbs will reach nearly 120 000.

RAILROAD BILLS IN 1854.—According to a table published in the Madison *Patriot*, the last Legislature passed a round sum of $7292 29 for railroads and "aids." The present Legislature have properly cut off all that item of the case altogether, saving thereby over seven *thousand dollars* to the Treasury.

TRAVELS TIMES AHEAD.—The *News* of Saturday comes substantially announces that when the Supreme Court of the U. S. review the decision of our State Court in the Rescue cases "they will commence at such terms upon "the mob spirit of our Judiciary" as will cover the court with the contempt of the people of the Union."

They had better "hurry up" their comments, then, for just now our State Court is in a fair way to be overwhelmed with the applause of the Free Press and Free People of the North, and a little spice of opposition from the People of the South and their Dughface friends at the North would be a pleasant variety. Bring on your "contempt" Mr. *News*.

EDITORIAL CORRESPONDENCE OF THE SENTINEL.

MADISON, March 1, 1855.

In Senate, this morning;

Petitions:

By Mr Ebbridge, for a law authorizing a special tax in Ashford.

By Messrs Clement and Bowen, for a liquor law.

Bills introduced:

By Mr Ebbridge, *authorizing* a special tax in Ashford.

By Mr Adams, declaring a certain road a legal highway.

By Mr Clement, relative to the rights of married women.

By Mr Adams, for a state road from Arena to Bald Bluff.—*Passed.*

(The titles of the other bills passed are already given.)

In Assembly the day has been one of hard work. First in the morning was communication from the Commissioners of the School Lands in answer to a resolution calling upon them to explain the shocking blunders in their report. The apology is a very poor one, amounting to throwing the blame upon the under clerks employed to make out the tables. At all events, the blunders are acknowledged, the Commissioners have convicted themselves and the State by the assurance that the figures in the *Secretary of State's* Report are correct.

Another communication was read, from Beriah Brown, in answer to the report of the Printing Committee on the Documentary History. He insisted that the paper used was a very costly article—that the binding of the volumes distributed is not a fair sample of the whole—that the paper in each volume cost 25c, and the binding 25c, &c., &c.

The communication was sent to the Committee on Printing.

Petitions were presented:

By Mr. Griffin, to allow Dodge Co. to raise a tax for roads and bridges.

By Mr Bowen, amending the state prison laws.

" " Gill, concerning the sale of railroads.

" " Bashford, concerning public buildings in Winnebago Co.

By Mr. Adams, repealing chap 344 local laws of '53.

By Mr. Dunn, *providing for codifying* the laws of the State. Referred to Judiciary Committee. (The bill provides that Jas H Knowlton, J G Knapp, and Joseph Sleeper be Commissioners to perform the duty,—to prepare and print the code—to meet in the Supreme Court room on the 2d Monday of April—to keep a journal of their proceedings—with authority to employ a clerk—the commissioners to receive $5,00 and the clerk $2,00 per day, for each days actual attendance—any vacancy to be filled by the remaining commissioners &c., &c.) Ordered printed.

Bills passed:

(The list is already sent, except one appropriating $1400 each to the Sergeants-at-Arms for themselves and the officers under them, which had already passed the Assembly.)

In Assembly, 9 A. M;

Petitions:

By Mr. Davis, to amend charter of village of Sauk City.

By Mr. White, against change of system of county government.

Bills introduced:

By Mr. Davis, amending charter of Sauk City.

By Mr. Gary, authorizing the voters of town of Oshkosh to vote in the city.

By Mr. Gary, for a state road.

(On the representation of Mr. Gary that bills to the same effect had been introduced by him four weeks since, and passed to an engrossment, but had disappeared, the rules were suspended and the bills *passed*.)

By Mr. Colley, appropriating part pay to S. G. *Pierce and* P. J. *Hanna*, officers—*Passed.*)

Mr. Goodrich introduced a resolution to adjourn on Saturdays to 3 P. M on Mondays, so as to allow members *living on the line of the rail*-road to get back. Mr. Bennett proposed to debate the resolution, and it went over.

Numerous reports were made from standing committees.

On motion of Mr. Sherman, a bill authorizing school dist No 2 in Oak Grove to levy a special tax was taken up and passed.

The Report of the Committee of the whole of Tuesday last was taken up and disposed of, the County Government bill being made the special order for Wednesday next.

A long session in Committee of the whole followed, Mr. Viles in the chair, the general table being gone through, many of the bills, however, being referred to committees or laid over as eliciting debate.

The great Bill for Organizing the Militia came up in committee—or rather, was lifted up, the strength of the Chairman, re-invigorated after his residence at the Water-Cure, proving sufficient for the undertaking. The huge roll of paper was not untied, and a motion was made to refer it back to the House, to be unanimously passed, which *carried* by about two to one *against it*. So the bill was sent back—carried back—rolled back—and in the House was made the special order for Friday evening, March 9th, at 7 o'clock.

The bill providing against a depreciated currency was made the special order for Thursday next.

The Assembly, as I said, finished up the file, which occupied till after 12 o'clock, and then continued in session till 1 P. M. till all the bills *were disposed of. Several times the motion to* adjourn was made, but each time either withdrawn or voted down, and when at length the last bill was handed over to the clerk, the motion to adjourn was carried with a will by the famished members.

The resolution to meet at 2½ P M, on the general file, was not considered as particularly important to-day, since there were no bills *left* on the general file.

The snow has been coming down rapidly all the morning, but it is almost a rain, and does not promise to add much to the sleighing. The train from Milwaukee was in nearly an its time.

Mr. Cole's Reply.

Madison, March 21, 1855.

MESSRS. F'H. West, N. D. McIntoe and others;

Gentlemen:—I have the honor to acknowledge the receipt of a communication, signed by you and other members of the legislature, requesting me to allow my name "to be used at the approaching judicial election, as an independent candidate for the office of Associate Justice of the Supreme Court of this State."

While I appreciate, as fully as one can, the high compliment paid me by this expression of your confidence, I can assure you that I have had great difficulty in prevailing upon myself to accede to your wishes. I have, however, concluded to do so and hereby announce myself as a candidate for the above named office—at the same time pledging myself, if elected, to discharge its important and responsible duties to the best of my ability.

I remain, with sentiments of regard, most respectfully, your obedient servant,

O. COLE.

THE JUDICIAL ELECTION.

From the Kenosha Telegraph.

We have heard no complaints of Judge Crawford in the performance of his general duties. He does not lack for ability, and has been honest, industrious, and *faithful*, has, *in short*, given us general satisfaction, as any person else could, who might have been chosen to the place. But we apprehend it will not be denied that Orsamus Cole is fully his equal in ability, is quite as honest and industrious and will prove as faithful. Thus far the two gentlemen stand upon the same level, and if it were only the rights of property which our Judges are called upon to adjudicate, it might be a matter of no importance to the people which was chosen. But here the parallel ends. The Court has to do with Human rights as well as the rights of property, and to all the freedom and justice loving people of the State, as well as those who would restore the constitution to its original purpose and preserve it pure hereafter, Cole is infinitely the better man—indeed the only one for whom they can consistently vote.

From the Fond du Lac Herald.

We learn from the State *Journal* that a call is being gotten up and extensively signed in favor of Hon. ORSAMUS COLE, of Grant Co., for the same office. Next to Judge HOWE, who positively declines being a candidate, Mr. C. is unquestionably the choice of the people of this part of the state. As a man and lawyer, he stands pre-eminently high; and his position on the subject of the law we have just mentioned, is such as to commend him most strongly to the people of this state. We hope he will respond favorably to the call, and we fully believe he can be triumphantly elected.

From the Wisconsin Freeman

By common consent it seems to be the intention of those who do not wish the Bench of the Supreme Court to be occupied by one who by any possibility can see Law in the Fugitive Slave Act, to vote for Orsamus Cole. He is sound upon those questions, where the rights of man are at stake and will probably be the only man run in opposition to Crawford.

NEW TRIAL GRANTED TO A SLAVE TRADER.—Capt. Schmidt, convicted in the U. S. Circuit Court at New York for having been engaged in the slave trade, has had a new trial granted to him on some technical points touching his citizenship and his ownership of the vessel. The evidence was full, that the prisoner, as master of the vessel, sailed from the port of New York to the coast of Africa, took in a cargo of negroes, and from thence sailed to the Island of Cuba where the cargo was landed, and the ship burnt by his orders. It is a remarkable fact that though many persons have been tried in New York for being concerned in the slave-trade since it was declared to be piracy, not one has yet been punished for the crime.

MILWAUKEE DEMOCRATIC NOMINATIONS.—The Democracy of Milwaukee have had the good sense to nominate for Mayor, Hon. James B. Cross, at present Member of the Assembly from that city. Mr. Cross is a sound, unflinching democrat, and the Democracy of Milwaukee ought to give him 3000 majority at least.—*Madison Patriot.*

How large a numerical majority the *Patriot* considers as a fair equivalent for the $3000 it *calls for*, in behalf of *Mr. Cross*, it forgets to tell.

THE BANK COMPTROLLER'S REPORT.—Comptroller Dennis is winning golden opinions for his clear and able report on the Banking system of our State—even the Madison *Journal* and the Madison *Patriot* violent opposition Journals are forced to commend it.—[Wisconsin.

What does the *Wisconsin* mean, in classing the *Patriot* as a "violent opposition paper" to Mr. Dennis? We have never said a word in opposition to Mr. Dennis, simply because we have never seen any *reason* for making opposition to him.—[Madison Patriot.

All that the *Wisconsin* means—if it have any meaning, which is usually a fair question with its paragraphs—is to make the most of the admitted phenomenon of *one* good officer in the present State Administration.

☞ The *Wisconsin* desires to know why he *Sentinel* supports ORSAMUS COLE for Judge, if we do not desire to proscribe Judge CRAWFORD. For the all sufficient reason that we think Mr. COLE, the fitter man for the place. There is no more "proscription" in the *Sentinel's* opposing JUDGE CRAWFORD, than there is in the *Wisconsin's* opposing Mr. COLE.

Declination of Mr. Comstock.

SATURDAY EVENING, March 3, 1855.

Editors Milwaukee Sentinel:

Being duly informed of my nomination for Mayor, by the People's City Convention this day held, I improve the earliest opportunity of publicly announcing my inability to accept the honor intended. My present and future plans effectually prohibit the possibility of my standing a poll, and I most respectfully decline.

O. COMSTOCK.

People's Convention.

The Delegates to the People's Convention, held on Saturday last, are requested to meet at the Common Council Room *this* morning at 10 o'clock, *to nominate a candidate for Mayor*, in place of OLIVER COMSTOCK, declined.

S. S. DAGGETT, Chairman.

J. S. FILLMORE, *Secretary.*

The Election—The Nominations.

To-MORROW is our Charter Election, and the occasion is one which demands not the presence only, but the active exertions at the Polls, of the BUSINESS MEN, and TAX-PAYERS of our City. In another column will be found the list of candidates nominated at the different Independent meetings for City and Ward Officers. Our readers will recognize among them many of our most substantial citizens and successful Business Men, to whose hands the interests of the City may be safely confided. It is with no little reluctance that some of them have been induced to accept nominations; and now that they are in the field it becomes the duty of all good citizens and especially of our Merchants, Forwarders and Mechanics, to rally to the Polls and give them their hearty, enthusiastic *and united support. It is so seldom* that practical and successful Business men can be persuaded to become candidates for City or Ward Offices, that *when they do*, no honorable effort should be spared to elect them.

City Convention.

MR. COMSTOCK declines running for Mayor and the Chairman of the Independent City Convention has thereupon called the Delegates together at 10 o'clock *this* morning, at the Common Council Room, to consult as to the expediency of making another nomination.

THE PEOPLE'S CANDIDATE FOR MARSHAL.—It will be seen by a card in our advertising columns, that Mr. Mitchell has withdrawn his name as a candidate for City Marshal, in favor of WILLIAM BECK, the present Under Sheriff, and earnestly solicits all his friends to aid in electing Mr. BECK to that office. Mr. BECK is so well known to the people of this city, as an energetic, faithful, honest and determined officer, proved by innumerable instances, that anything we can say in his behalf would be superfluous. The people of this city have an opportunity of electing as Marshal, a man known throughout the State, as the most efficient police officer within its limits, an opportunity not often presenting itself, and we hope that next Tuesday night will see Mr. BECK the elected Marshal of this city by a heavy majority. The result of such a choice we are confident would be the quiet, but perfect performance of all the duties pertaining to that office; one of the most, if not quite the most *important office* held under the Charter. A large portion of the inhabitants of this city being Germans, the selection of Mr. BECK as a candidate *for the office of City Marshal*, will tend materially to quiet acquiescence in the requirements of the city ordinances, and secure for us abroad and at home the character of a peaceful and well ordered City.

☞ The *Wisconsin* of Saturday, for reasons best known to itself, drags the name of Col. SAWYER into its columns, and represents the gentleman as a candidate for Alderman of the 1st Ward but "ruled out" by adverse influences. Col. SAWYER requests us to say that he neither *expected, desired, nor would have accepted* a nomination for Alderman. The *Wisconsin's* paragraph is an impudent fiction.

Mass Meeting of Germans.

At a meeting of the Germans of the Fifth Ward, held at the Niagara House on Friday night, March 3d, the following resolutions were passed:

Resolved, That the nomination of Erastus Foote, as City Attorney, by the late Convention in this City, is a gross insult, not only to the German citizens of the 5th Ward, but to all citizens of Milwaukee.

Resolved, That all Germans who have any regard for themselves, and who despise demagogues, should manifest their contempt for said Foote, by erasing his name from their tickets.

Resolved, That these resolutions be printed in all the city papers.

FRANCIS HARMTER, Chairman.

JOHN G. MESSWHILER, Secretary.

☞ We have not heard that the Legislature has adjourned, or taken a recess, but we notice both Senator HADLEY and Assemblyman CASE in town, feeding election. This is one of the advantages of electing the same man to fill two, or three offices.

Independent City Convention.

The Delegates to the Independent City Convention met at the Common Council Room, on Saturday at 10 A. M., and organized by appointing S. S. DAGGETT, Chairman, and J. S. FILLMORE, Secretary. The following Delegates appeared and took their seats:

First Ward—S S Daggett, Wm Thwaits, H K White, G D Norris, John Furlong.

Second Ward—None present.

Third Ward—Patrick Hanly, John Bray, John Corcoran, Michael Burke, M Debney.

Fourth Ward—Joel Hood, A L Kane, A K Williams, S R Johnson, Joe Sprague.

Fourth Ward Caucus.

A Republican Caucus was held at the Menominee Hotel, pursuant to a call of the Ward Committee, Saturday evening, March 3d., for the purpose of nominating Ward Officers to be supported at the coming Election.

The Meeting was organized by calling Joel Hood to the Chair, A. K. Williams appointed Secretary. When the following ticket was reported and nominated:

CIRCUIT COURT.

JUDGE HUBBELL, PRESIDING.

Conviction for Murder.

The trial of Edward Fassbinder for murder, for the shooting of Martenus Schwister in the town of Granville, on the 17th of December last year, was brought to a close Saturday evening. The circumstances are briefly these; Schwister and two others Nettleofer and Engles went to the grocery kept by Fassbinder and called for some whiskey and drank it, the men then commenced to throw dice for a quart of beer, Fassbinder wanted pay in advance, to this they objected, and one of them asked Fassbinder if he thought they meant to do as he had done, go to a tavern and drink and go away without paying for it. This appears to have enraged Fassbinder, who went into his bed room and came out with a bottle holding it by the neck in a threatening manner, Engles took up a flat-iron and said, "if that's what you want, *come on.*" Mrs. Fassbinder got the bottle away from her husband, and the iron away from Engles. The men then sat down to the table to throw the dice; Fassbinder went and took down his rifle, Engles saw him retreat to the door of the bed room, and the rifle raised and jumped away. Schwister the deceased said "thunder and lightning he's going to shoot."—Fassbinder fired, shooting Schwister in the breast who said, putting his hand to his side, "*Brother I've got to die, God! Fassbinder has shot me,*" staggered, and was caught by Engles. Schwister lived till the 19th and died. The prisoner was ably defended by J. L. Doran. The jury after a clear and most impartial charge from Judge Hubbell retired, and after being out half an hour brought in a verdict of "*Guilty of murder in the first degree.*" Another recorded murder in which liquor was a principal actor.

Police Court—March 1st.

BEFORE CLINTON WALWORTH ESQ. POLICE JUSTICE

A city warrant was issued against John Doe, alias, for violating the 7th Section of an ordinance relating to Streets and side-walks, passed May 6th, 1852. The defendant plead guilty and paid the penalty.

ACCIDENT TO MR. WALL.—As Mr. Wall was driving thro' one of the streets in the Fifth Ward, Saturday, his sleigh, in crossing a pitch hole, tipped forward, throwing his son Edward out, on one side, and Mr. Wall himself directly under the horses' heels. Before he could be extricated, the horses, becoming restive, kicked him several times, cutting two or three deep gashes in his face and head. The wounds, though painful and disfiguring were not serious, and Mr. Wall's escape, from every severe if not fatal injury, was narrow indeed. His son was but slightly bruised.

"THE GOLDEN CALF."—Mr. PIERPONT has just delivered this poem before a large audience in Chicago, and as we learn by private source, it gave very great satisfaction. It is full of wit and feeling, and holds the attention to the end. As he is to be here but *one evening, all* who wish to hear him, must be at the Hall on *Tuesday* next, and we promise them a rare treat.

MESMERISM, PSYCHOLOGY AND BIOLOGY.—Professor SPENCER, of New York, well known to many of our readers, proposes to give a course of Lectures at Young's Hall on these abstruse subjects. Mr. SPENCER pursues an original method in dealing with these *topics, and introduces* a great variety of amusing and sometimes startling experiments to illustrate and confirm his peculiar theory. He demonstrates, among other things, the fallacy of ancient sorcery and witchcraft, and of its kindred delusion, modern "spiritualism." He can make and control "mediums," at will, and as for table-tipping, chair-raising, and involuntary speaking, singing, writing, or dancing, why he performs all these "fantastic tricks," as readily as MACALISTER pours out all sorts of liquors from his "inexhaustible Bottle." The first lecture of the course, which is to be given *to-night*, will be *free*. Go and hear him.

"Hindooism" Indeed!

The *News* of Saturday falsely accuses the *Sentinel* of "*raising an issue* between foreign and native-born citizens," because we stated the undisputed fact that of the *twenty five* Democratic nominees for Ward Officers, *twenty* are adopted and only five native citizens. This, exclaims the *News*, is "Hindooism"—this is an attempt to "rule out our Irish and German friends"—and this "issue" it calls upon the "Democracy" to rebuke! Had the *News* copied, instead of garbling and falsifying what the *Sentinel* said, its falsehoods, as its "Hindooism," would be obvious. The "issue" which it charges us with raising, was made by its own political friends—*They* made those clannish nominations. The *Sentinel* contented itself with calling attention to the matter and appealing to our ADOPTED citizens themselves to be the first to right the wrong. We urge them again to do this for their own, as well as for justice' sake.

ANOTHER INDEPENDENT CANDIDATE.—CADRIEL SHOVER offers himself for the two years term of Alderman. Mr. SHOVER is a thorough merchant, and considers that he has the prospect of beating Dr. WOLCOTT out of sight.—[Wisconsin of Saturday.

Mr. SHOVER desires us to state that the intimation conveyed by the last two lines of the above paragraph was wholly unauthorized by him and is entirely gratuitous on the part of the *Wisconsin.*

REAL ESTATE SALES.—Caleb Wall sold on Saturday lot 7 and the south two-thirds of lot 8, Block 94, First Ward, with the brick tenement thereon, for $10,000 cash.

J. H. Crampton sold Lot 5, block 78 Fourth Ward, with the house, for $3000.

THE FIRST BREATH OF SPRING.—The sun shone bright, and the air came woongly on Saturday. Jack Frost let go the hard hold he has kept for good two months past, and the banks of snow, which line all our streets, gave down freely.—They cannot stand up many days again at such a "run" as they experienced on Saturday.

A MERITED REWARD.—The Common Council of this city, at their meeting, on Saturday evening, upon the recommendation of the Chief Engineer of the Fire Department, voted $100 to Chief Engineer WHITTAN, of Racine, who was disabled at the great fire here on the 24th of August.

From Lake Superior.

We had a heavy mail from Lake Superior last Saturday, accompanied by large parties of men who have been discharged from the Mines. The Portage Lake companies are said to be entirely out of powder, and unable to go on with operations.

The news of the commercial and financial crisis had just been received there, and produced a profound sensation. Partly upon this account, and partly from want of supplies at the high prices of produce, large numbers of men have been discharged, and are finding their way, as best they can, southward. During Friday and Saturday; as many as fifty reached here in sleighs, on their way East. They had come on foot by way of Carp River and Bay de Noquett to Menominee, where sleighs were procured. Some had suffered severely from "snow-blindness," and were scarcely able to open their eyes. They were mostly Cornish miners. As a fact creditable to the humanity of our Lake Superior neighbors, we mention that in discharging men, the *single* ones were selected—those with families being, as far as possible, retained in employment.

For the first time, sleighs had come all the way from Carp River Bay de Noquett. Oxen were driven ahead to break the road. Hay was selling at Carp River at from $60 to $100 per ton; flour, $16; pork, $35. It was principally owing to the absence at that article the teams were forced through to Bay de Noquet, where to *be had*. Six double teams came from Marquett (Carp River) to Little Bay de Noquett, and took back loads of hay and grain. One came all the way to this place, for a load of pork.

During the month of December, the "Minnesota" Mine produced 77½ tons of copper. This and the "Cliff" Mine, are said to be the only ones that are paying expense and making dividends. We state this upon the authority of the *Mining News*, which adds that others are perhaps paying expenses in these hard times, and many others still are opening and preparing to work and become productive.

The small pox was raging among the Indians in the vicinity of Ontonagon.

The absence of powder is occasioned by the loss of the *Peninsula*, at Eagle River, last fall. She had 2,000 kegs of powder, of which 1,500 were spoiled. She was driven ashore in a heavy gale.

A grand strike occurred in November at the Copper Falls Mine, among the stoppers, who went in a body to the others engaged in the mine, and drove them from the work. The ringleaders were *arrested and fined*, and the disturbance quelled.

Among those who come through, was Mr. Collins, son of E. K. Collins of steamship celebrity, who has been spending the winter at Marquette, and is now on his way East. He represents business in the "Iron Region" as prosperous. Large quantities of ore are being got out ready for shipment in the spring. To Mr. Collins, and to our old friend, Mr. White, of Marquette, we are indebted for much of the information which we publish above.

The Sault Canal is to be opened early in the spring.—[Green Bay Advocate,
